ECONOMICS

Summer Work

To what extent do you think the UK voters made the right decision in terms of the likely success for UK once we leave the EU.

Pick at least 3 articles about the state of the UK economy from news over the summer. Make sure you use reliable sources such as BBC News or broadsheet newspapers. Articles should focus on the following topics

- Borrowing
- Spending
- Taxation
- Equality
- Brexit in terms of imports and exports
- Exchange rates

Consider the impact of **each** news article on consumers, business and government.

Be prepared to share your thoughts in the first week of lessons when you will be asked to debate these issues.
