Dear Parents/Carers

Re: Year 9 into 10 Science Students

Your son/daughter has commenced their GCSE or BTEC Sciences course this week. The five weeks available before the end of the year give us an opportunity to make significant progress before the start of Year 10.

Each of our laboratories is equipped with a class set of textbooks. In addition, we want to equip every student with a revision guide and a workbook that they can take home. The revision guide covers the content of the course in great detail; the workbook consists of questions and exercises that match the content of the revision guide and help students build their understanding.

Home learning will often involve completing pages of the workbook. It is designed to be written in by students and therefore cannot be used again by the following year group.

We would therefore like to ask you for a contribution to cover the cost of providing personal copies of the workbook. The retail price is £4.95 each; however, we are able to obtain these books at a bulk discount. Double scientists will need two and Triple scientists will need three to cover each of their science GCSEs. We request contributions as follows:

GCSE/BTEC Double Sciences: £6.60

GCSE Triple Sciences: £10.00

The contribution is voluntary, but we will need the vast majority of parents to contribute in order to provide this resource.

Please complete the attached slip and return to the school's Finance Office by Friday 21 June. Please send a reply, even if you do not wish to make a contribution, so that we can be sure that all parents have seen this letter.

With thanks for your assistance.

Yours sincerely

G Sargen
Head of Science

.../continued

To Beaumont School, Finance Office by Friday 21 June 2013

I have received the recent letter regarding the cost of the Science workbooks.

Please indicate as appropriate:

- I wish to contribute the sum of £6.60 (*Double Science*) and I enclose cash/cheque
- I wish to contribute the sum of £10 (*Triple Science*) and I enclose cash/cheque
- I wish to contribute and have made an online payment of £6.60 (*Double Science*)
- I wish to contribute and have made an online payment of £10 (*Triple Science*)
- I acknowledge receipt of your letter but do not wish to contribute
