GOVERNING BODY
TERMS OF REFERENCE FOR COMMITTEES

General

1. Membership and Chair

There shall be no maximum number of governors on each committee. The Chair of Governors and the Headteacher will be *ex officio* members of all committees except the Pupil Discipline, Staff Grievance, and Appeals committees.

All committees are required by the regulations to have a clerk appointed by the Governing Body.

Each committee will elect a chair, and if it wishes, a vice-chair from among the members of the committee at the first meeting of the Autumn term. No governor employed by the school may act as chair or vice-chair of a committee. In the absence of the chair, or the vice-chair if one is appointed, at a meeting the committee will elect any member to act as chair for that meeting.

The chair of each committee will ensure the business of the committee is conducted properly, in accordance with legal requirements. They will ensure that meetings are run effectively, focusing on priorities, making the best use of time available, and that all members have an equal opportunity to participate in discussion and decision-making.

Membership of committees shall be agreed by the Governing Body on an annual basis at the first meeting of the Autumn term. Any governor may attend meetings of committees.

Chairs of committees will seek to ensure that each committee shall include at least one parent governor, one staff governor and one community governor. The membership of any committee of the Governors may include persons who are not Governors, provided that a majority of members of any such committee shall be Governors.

2. Voting and Quorums

Only Governors who are members of the committee may vote at committee meetings. Where necessary, the elected chair of the committee may have a second or casting vote.

The Governors may determine that some or all of the members of a committee who are not Governors shall be entitled to vote in any proceedings of the committee.

No vote on any matter shall be taken at a meeting of a committee of the Governors unless the majority of members of the committee present are Governors.

A resolution in writing, signed by all the Governors entitled to receive notice of a meeting of a committee of Governors, shall be valid and effective as if it had been passed at a meeting of a committee of Governors duly convened and held. Such a resolution may consist of several documents in the same form, each signed by one or more of the Governors.

Each committee will determine its own quorum which shall be not less than three governors.

In the event of a need to make genuinely urgent decisions between meetings on matters falling within the remit of the committee, the chair of the governors, in consultation with the Headteacher and chair of the committee, will take appropriate action on behalf of the committee. The decisions taken and the reasons for urgency will be explained fully at the next meeting of the whole governing body.

Minutes of meetings will record those present, the date and any decisions, action points or recommendations. Any recommendations must be written in such a way as to offer the Governing Body clear proposals or alternatives to debate and decide upon.

Minutes will be circulated to all governors and members of the committee as soon as possible after the meeting and will be included on the agenda and papers of the next meeting of the whole governing body. This is to meet statutory requirements, to provide information to the whole governing body and to seek ratification of decisions and recommendations.

The chair of the committee will be responsible for giving an oral summary of the committee's deliberations if necessary at meetings of the whole governing body.

Where possible each committee will meet in advance of each full governing body meeting and at other times as they see fit to fulfil their responsibilities provided that each committee shall meet at least once each term.

4. Functions

The committees will consider matters as set out in their terms of reference or as requested by the Governing Body, taking advice as appropriate.

Each committee will recommend the powers that should be delegated to it by the Governing Body. The Governing Body will modify and approve these powers as it sees fit and the delegated powers will then form part of the terms of reference for that committee.

For committees other than the Resources Committee - any decisions which require a spending commitment over and above agreed budget provision must be referred to the Resources Committee.

At least once each term each committee will review the sections of the plan for school improvement which are relevant to that committee, monitor progress on implementation of the plan, and identify any priorities that arise

Each committee shall be responsible for reviewing, approving, adopting and monitoring the implementation of policies and procedures relevant to the work of that committee and such other policies and procedures as may be delegated to it by the Governing Body from time to time.

Prior to the commencement of the construction phase of the Project, an expenditure plan will be drawn up by the Project Manager in line with the construction contract entered into which will form the start point for expenditure monitoring (the 'Rolling Account'). The Rolling Account will feed into a separate document also prepared by the Project Manager, which will detail the Total Project Fund including all consultancy costs with separately identifiable details of all contingency amounts and the spending thereof (the 'Project Budget').

During the construction phase the Rolling Account and the Project Budget will be maintained by the Project Manager which will re-project the final account position incorporating the impact of all agreed variations and detailing any use of any contingency amounts.

All other costs will be recorded on the Rolling Account as they occur. Any costs which have been agreed that are not recorded in the Rolling Account will be included in the Project Budget so that the Project Budget records an accurate and up to date overall financial position on the Project.

Reporting

Notes of all Client Project Team meetings will be made available to the FAB Group and members of the School Governing Body either for them to access by way of Dropbox or similar electronic means or sent to them on request.
