

Confirming your Place

Why needed?

All places provisional on GCSE results.

You might want to switch subjects.

We need to know whether you are joining, as we have a waiting list for places.

Failure to hand it in to the post box, by
10am on Tuesday 28th August

means

you lose your place and you are unlikely
to get it back.

The form allows change requests.

We always **TRY** to meet all valid requests but no guarantees.

We discuss changes on Enrolment Day (at times specified).

Only put down subjects and combinations for which you have the correct grades.

Advice available on Results Day
(Thursday 23rd August) but no
change requests can be confirmed
then.
