

TASK ONE

Research an artist or architect from a German-speaking country (e.g. Dürer, Kollwitz, Klee, Holbein, Klimt etc) and prepare a presentation about his/her life and major works in German to present to the class. You should speak for two minutes. You may use a Powerpoint or video to further illustrate your presentation.

TASK TWO

Find an English article that relates to one of the main topic areas for A level German. You should read it and then do a summary in German (100 words). Include your own opinions and response to the article.

TASK THREE

Learn the definite and indefinite article 'off by heart'. Don't worry – we'll explain in detail when and how to use these. What a relief it will be to finally fully understand why it changes! ☺
