7 February 2019

Dear Parents/Carers

## Launch of KS3 University Challenge Quiz

As our continued efforts to stimulate students beyond the curriculum, I am writing to inform you that we are launching a competition based on the quiz show, University Challenge.

Students will be invited to form a team of four students from Key Stage 3 (Years 7, 8 and 9), teams can be exclusively one year group, or a combination of different year groups. Application forms will be issued after the February half term.

The quiz will start towards the end of March, and will be a knockout format, eventually leading to quarter, semi and ultimately a final competition, when students will compete for a shield.

We would very much appreciate you discussing this competition with your child, and possibly watching an episode of University Challenge with them, to give them an idea of the format. Our questions will be taken from areas across the KS3 curriculum and beyond.

We very much look forward to meeting the teams and to an enjoyable competition.

Yours sincerely

Amanda Jones
