Dear Parents/Carers

Final Practical Performance for BTECH Dance

The final controlled assessment for BTECH Dance is a workshopped performance of a piece choreographed entirely by the students. It is a requirement that the work is performed before an audience and filmed for the exam board to assess. This year the brief is entitled 'Blank Canvas' and students have been asked to create a piece designed for a fundraising event to support underprivileged young people.

We would like to extend this invitation to attend the performance which will take place on **Thursday 25 April 2019 at 17:00 in the Beaumont School Hall** and should last approximately half an hour.

The performance promises to be a fitting showcase of the exceptional hard work and skills that students have developed throughout the course. We welcome this opportunity to both support students in their final performance piece while also celebrating their progress and achievements.

Yours sincerely

Mrs Cripps
Dance Teacher
