Introduction from Head of Year

Dear Parents/Carers

Please find enclosed your information pack in relation to your child joining Beaumont this coming September. Please ensure that all necessary forms in the forms booklet are completed and handed in on the Welcome to Year 7 Evening on **Thursday 27 June 2019**. If you are unavoidably unable to attend on this day, please send the items in with your child on the Transition Day on **Thursday 11 July 2019**. Alternatively, they can be handed into Main Reception before this date.

If you require any assistance or have any queries regarding these forms please contact the school.

The attached letter informs you which form group your child is in. These form groups have been arrived at after much consultation with, and input from, all feeder Primary schools. The aim has been to create seven "balanced" groups that, based on the information gathered, work together as well as possible. Please do **not** contact the school about the groups as they are now finalised and not subject to change.

I hope you find the pack useful. We look forward to welcoming you and your child to the Welcome to Year 7 Evening where you will receive more information regarding the day to day running of the school. You will also have the opportunity to meet your child's form tutor as well as myself and members of the Senior Leadership Team.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'A Gray', with a stylized flourish at the end.

A Gray (Mr)
Head of Year 7

Home School Agreement

Beaumont School Home School Agreement

Our aim is to prepare young people to become active, caring and confident citizens who lead rewarding lives in our global society. We will do this by helping each young person to flourish within a school community which is committed to:

- Providing high quality learning opportunities within a broad and balanced curriculum;
- Creating a safe and caring environment in which every young person enjoys learning;
- Developing an awareness of our world, celebrating cultural diversity and promoting a concern for the environment.

We hope that every student who leaves Beaumont does so with a sense of pride in their achievements, an awareness of their responsibilities and a sense of appreciation for all the opportunities they have experienced.

We want Beaumont students to be: inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced and reflective.

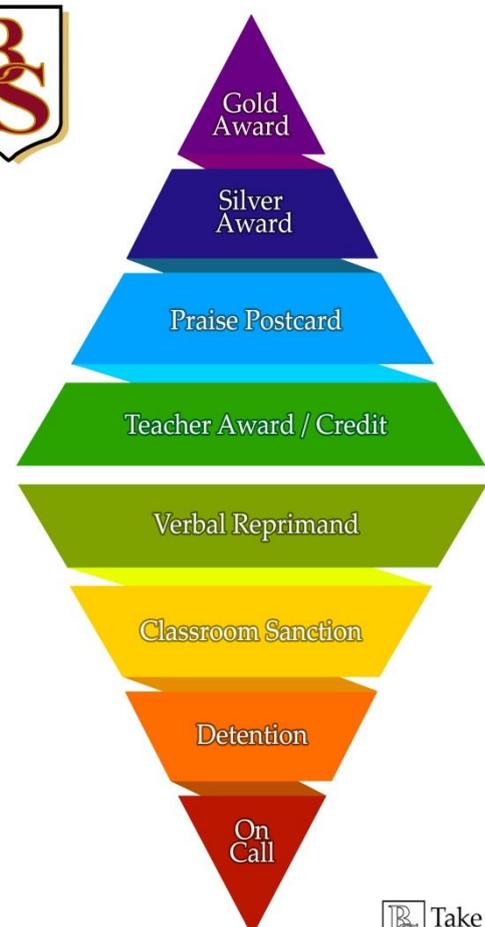

The agreement takes the form of this A5 leaflet, together with an A4 duplicate. Each family should keep this agreement and return the duplicate copy, signed as requested, to the school. Any family requiring a second copy of the agreement should contact the school.

There is an additional copy of the student's section of the Home School Agreement in the school Planner which is signed at the start of each academic year, countersigned by the Form Tutor.

Behaviour For Learning

- Arrive at your lessons on time, with all the equipment you will need and ready to learn.
- Follow all instructions quickly and without argument.
- Make sure that your behaviour does not prevent other students from learning.
- Be polite and respectful to all staff and students.
- Always enter and leave the classroom in an orderly manner.

ICT Code of Conduct

Information Technology Acceptable Use Agreement

Beaumont School has invested significant money and resources in providing computing facilities through a modern network which spans across the school. Mono and colour printers together with scanners and digital cameras are available to students during their studies at Beaumont. This is a major investment for the school and we expect every student to respect the facilities and to use them responsibly and appropriately. We encourage all students to develop a sensible attitude to both the application of information technology including the use of email, e-safety and to care for the hardware provided. We encourage students to explore the potential of ICT and to be creative and skilled in its use.

Every student is provided with their own user account on the network which has a unique user ID and password. This ID also allows them access on to G-Suite, previously known as Google Apps for Education. Students are responsible for the security and integrity of their area and instruction will be provided on security procedures and how to change passwords and manage their accounts. Students will also be given an email account to be used for school business.

Beaumont provides filtered broadband access to the internet from all computers on the network. Students are able to use the internet in lessons for research purposes. Computer use is monitored during lessons but there are times when students are trusted to use computers with relatively light supervision, lunchtimes being one such occasion. Students are also able to access the school network together with their work and files from home computers. G-Suite will allow them to access on-line classrooms which their teachers control and post work and resources to support their learning. They also have Google Drive which is cloud based storage.

Behaviour and care for ICT hardware and systems is generally very good at Beaumont. To counter any abuse and to ensure all students gain the maximum usage from the facilities, we are asking all students and parents to sign a code of conduct. These rules and guidelines are not onerous but do give a clear indication of where responsibilities lie and what is expected from students during their studies.

Please read through this policy with your child prior to signing. Please complete and return **Form 2** and **Form 3** from the Forms Booklet on the Welcome to Year 7 Evening on Thursday 27 June 2019. If you have any questions about the agreement please do not hesitate to contact Miss S Hosegood, Assistant Headteacher or Mr J Goddard, Head of Computer Science.

Acceptable Use Agreement

Acceptable Use Agreement: Student

- I will only use ICT systems in school, including the internet, e-mail, digital video, and mobile technologies for school purposes.
- I will not download or install software on school technologies.
- I will only log on to the school network, other systems and resources with my own user name and password.
- I will follow the school's ICT security system and not reveal my passwords to anyone and change them regularly.
- I will make sure that all ICT communications with students, teachers or others is responsible and sensible.
- I will be responsible for my behaviour when using the Internet. This includes resources I access and the language I use.
- I will not browse, download, upload or forward material that could be considered offensive or illegal. If I accidentally come across any such material I will report it immediately to my teacher.
- I will not give out any personal information such as name, phone number or address. I will not arrange to meet someone unless this is part of a school project approved by my teacher.
- I am aware that when I take images of students and/ or staff, that I must only store and use these for school purposes in line with school policy (only taken with their permission) and must never distribute these outside the school network without the permission of all parties involved. This includes school trips and all occasions when I am in school uniform or when otherwise representing the school.
- I will ensure that my online activity, both in school and outside school, will not cause my school, the staff, students or others distress or bring the school community into disrepute, including through uploads of images, video, sounds or texts.
- I will support the school approach to online safety and not upload or add any images, video, sounds or text that could upset any member of the school community.
- I will respect the privacy and ownership of others' work on-line at all times.
- I will not attempt to bypass the internet filtering system.
- I understand that all my use of the Internet and other related technologies can be monitored and logged and can be made available to my teachers.
- I understand that these rules are designed to keep me safe and that if they are not followed, school sanctions will be applied and my parent/carer may be contacted.
- I will ensure my use of any electronic device does not impact on the learning of others and is used appropriately during the school day. I understand that the above statements apply to my use of any electronic, digital or otherwise connected device.

Trips and Visits

During the course of their school career, Beaumont students will take part in a wide range of school visits and activities.

To ease the administrative burden, and reduce the amount of form-filling for parents, a central record has been established, which means for each day visit you will receive only an information sheet (except for visits to local venues - see section 2 of the attached forms) and a greatly simplified consent form. On occasions where paper reply slips are deemed not necessary we will offer the opportunity for you to provide online consent for your child, through our online payment system Scopay.

Please note that your child will not be able to participate in any school visit until these forms are on file.

If there are any questions concerning these arrangements, do not hesitate to contact the school.

Please fill in the school visits form in the Forms Booklet (**Form 4**) and give it to your child's form teacher at the Welcome to Year 7 Evening on Thursday 27 June 2019. A copy of the form and insurance summary is included in this booklet for your own reference. Please ensure **all** sections are completed and signed.

May we also draw your attention to look at the **School's Visits Procedure** on our website for more information.

BEAUMONT SCHOOL – SCHOOL TRIPS and VISITS

PLEASE KEEP THIS COPY FOR YOUR OWN RECORDS

NAME OF STUDENT:

FORM GROUP:

SECTION 1 : Insurance

All trips and visits will be covered by either a blanket school policy or by an individual policy purchased through the tour operator.

For insurance purposes, where appropriate, you may be required to provide the visit organiser with a letter from your GP stating they are fit to travel on the date(s) concerned.

SECTION 2 : Consent for students participating in short visits to local venues

I agree that my child may take part in any short visits to local venues which may be arranged during their time at the school i.e. routine sporting fixtures, environmental studies, library and shop visits etc.

SECTION 3 : Consent for Emergency Medical Treatment

This section gives your consent for emergency medical treatment during the course of a journey should the need arise. You will also be asked to sign a consent, either electronically or via a reply slip form before any visit (other than those covered by Section 2).

Please note that the information you have provided on the gold form, giving details of emergency contact telephone numbers, medical conditions and allergies etc, will be used by staff running school visits. It is vitally important for the school to be updated with any changes to this information; the consent form mentioned above will also provide an opportunity for you to do this, if you have not previously notified us of any such changes.

- I undertake to inform the organiser if my child, or any member of the family, suffers from any infectious disease within 21 days prior to the journey.
- I consent to any emergency medical treatment necessary during the course of the journey.
- I will notify the school of any changes in the details given on my gold form.

SECTION 4 : School Visits Procedure

The School Visits Procedure (on school website) details the school's procedure on all aspects of trips and visits including Health and Safety, Pupil Behaviour Expectations, SEN and Finance.

Please note that your child will not be able to participate in any school visit until these forms are on file.

If there are any questions concerning these arrangements do not hesitate to contact Mrs Mercer, Trips & Visits Administrator, on 01727 732970.

I have read and understood Sections 1- 4 above.

INSTRUMENTAL PROVISION AT BEAUMONT SCHOOL

Learning a musical instrument at Beaumont School is a very popular choice and there are currently over 200 students taking instrumental lessons with 15 peripatetic teachers visiting the school. All Instrumental and Vocal tuition at Beaumont School is provided by the Hertfordshire Music Service.

STANDARD INSTRUMENTAL / VOCAL LESSONS

Lessons are available on the following instruments:

Strings	Violin, Viola, Cello, Double Bass
Woodwind	Saxophone, Bassoon, Flute, Clarinet, Oboe
Brass	Cornet, Trumpet, Trombone, Horn, Tuba
Percussion	Percussion, Drum kit
Guitar	Bass, Electric, Acoustic
Keyboard	Piano, Electric Keyboard
Voice	

Invoices for lessons will be sent out termly in advance. The following lessons are available in any of the instruments stated above:

Individual 30 minute lessons	£231.00 per term
Individual 20 minute lessons	£154.00 per term
Shared 30 minute lessons (2 students)	£115.50 per term

SHARED LESSONS

For practical reasons, *shared lessons are not available on piano or drums*. On other instruments they are only available where there are other students of a similar standard with whom to share. If you wish to sign up for a shared lesson, please try and indicate another student who would be willing to share with your child. *At Secondary School level we recommend individual lessons.*

NUMBER OF LESSONS

Hertfordshire Music Service provides 33 lessons per academic year, spread over the three terms (usually 11 lessons per term). If students are absent through illness, then music staff are not obliged to make up the missed lessons, although they will make every effort to ensure the correct number of lessons are delivered over the course of the year if lessons are missed due to other school activities.

CANCELLATION NOTICE

If your child wishes to stop taking instrumental lessons then a **full term's notice in writing** must be given to the Finance Office to stop lessons. The specific dates for notice will be given on the invoices.

REMISSION OF FEES

For families on low incomes, remission of fees for lessons on one instrument or voice can be applied for from the Music Service. If you think you may be eligible, you should apply online at www.hertfordshire.gov.uk/freeschoolmeals or telephone on **0300 123 4048**. Parents/carers/guardians who are re-applying as well as those applying for the first time can start to apply from early June onwards. Lessons will begin once remission has been confirmed.

TIMETABLING LESSONS

Students take their instrumental lessons during the normal school day including break or lunch. Lessons work on a rotational basis in order to ensure that students are not missing the same curriculum lesson each week. It is the student's responsibility to check the timetables (clearly displayed in the Music Department) and ensure they attend their lessons.

LESSON AVAILABILITY

Learning an instrument at Beaumont School is very popular, and to this end, we cannot always guarantee spaces in your specified instrument. Priority must be given to students in Years 10, 11, 12 and 13 who are studying GCSE and A Level music and places will only be allocated once numbers are finalised for GCSE and A Level. If your application is not successful, your child's name will be placed on a waiting list.

TERMLY BILLING

Invoices will be sent out termly in advance a full half term before the start of the lessons (apart from the first term when payment is made on the Welcome to Year 7 Evening). Payment should be made before the term's lessons commence.

HIRING AND BUYING INSTRUMENTS

Parents/carers/guardians are advised to hire or buy instruments once lessons have been confirmed. Many local music shops provide instrumental hire services.

EXTRA-CURRICULAR ACTIVITIES

All students at Beaumont are encouraged to take part in extra-curricular activities whether they learn their instrument in or out of school. Peripatetic staff direct ensembles during the week and there are also opportunities to take part in orchestra, choir, concert band and other instrumental groups. Details will be given to students in September.

All music lesson application forms (Form 5 of the Forms Booklet) should be returned with a cheque for the appropriate amount **NO LATER THAN** at the Welcome to Year 7 Evening. Any form received after this date will not be considered until September, when it will be much more difficult to allocate lessons.

For any correspondence regarding instrumental lessons, please email music.lessons@beaumont.school.

Yours sincerely

D Guinane (Mr)
Head of Music

CATERING ARRANGEMENTS

The school's catering service is operated by Chartwells catering company. They supply a wide range of food to students before school, at morning break and at lunchtimes. Food is served in the school Dining Hall and from other outlets around the school site.

On the evening of Thursday 27 June 2019 you will be able to meet one of the catering team, ask any questions you may have, view the catering display and sample refreshments, if you wish.

Further information about Chartwells including the current menu for the Summer Term can be found on the School Website.

Chartwells operate a cashless system and funds are loaded in advance via your child's Scopay account (you will find your unique account and log in details in the enclosed letter from the Finance Office) or by cash using the machine outside the canteen. The balance on the account can be seen both online and at the cash machine.

Your child's online catering account will go live on **Wednesday 28 August 2019**.

The preferred payment method for loading funds onto the account is using Scopay (the internet payment system). This avoids your child having to carry cash or to queue at the machine. Please note the option to top up your child's catering account will appear on the internet payment system before the **28 August 2019**, however please do not top up until after this date.

Students will be registered for the cashless catering system when they start in September. The system uses fingerprint recognition unless consent was not given on the gold form in which case a card system is available.

The internet payment system will always require a minimum of £15.00 to be paid in and both credit or debit cards can be used for canteen payments.

If your child wishes to have a meal on the Transition Day on Thursday 11 July 2019, please complete **Form 6** from the Forms Booklet, and hand in your child's menu choice form with payment of cash / cheque on the Welcome to Year 7 Evening.

If you have any questions regarding school meals and eligibility for and the process of Free School Meals please speak to a member of the Finance Team who will be at the Welcome to Year 7 Evening.

LOCKERS

All students are allocated a school locker which they use from Year 7 through to Year 11. There is a £20.00 charge for the use of a personal locker during this time.

If a replacement key is required at any time or the key is not returned at the end of Year 11 there will be an additional charge of £5.00.

To ease the pressure on the first few days of school in September **we would like to collect the locker money now so that lockers can be allocated ready for the first week of school.**

Payments can be made online at www.scopay.com/beaumont (this site can also be reached via the portal on the Beaumont School website). You will find your unique account and log in details in the enclosed letter from the Finance Office.

If you have any queries on this please speak to someone on the Finance desk at the Welcome to Year 7 Evening.

Beaumont School Association (BSA)

The **Beaumont School Association (BSA)** is the school's PTA which plays an important part in bringing the school community together and generating significant funds, which are then used to enhance the school experience for our children. All parents, carers, guardians, staff and governors are automatically members of the BSA and are eligible to vote at the Annual General Meeting and at any Special General Meeting.

The BSA Committee is currently a small group comprising of parents and staff who meet approximately six times a year. They help at school functions and are involved with organising social and fundraising events. The BSA always love to hear from Beaumont parents/carers/guardians who would like to get involved in any way. New members are welcome to join our meetings, and we would appreciate all assistance offered and any suggestions given.

Recent BSA events include a **welcome BBQ for new year 7 parents, quiz night, Big Band jazz night, parents' Christmas party, Christmas fair, Comedy Night**, and supporting the sixth-formers in running the highly successful summer music and sports' fair '**Rob's festival**'. The BSA have also provided **refreshments** at parents' evenings, Christmas carol concert, and the Secondary Transfer evenings.

Recent donations made by BSA to the school:

- £20,000 towards the school's campaign to raise funds to build a new school hall
- £10,000 towards furnishing planned for new science laboratories
- On line learning tools to improve literacy for SEN
- Funds for PE team kits, athletic spikes and a hockey coach
- Sheet music, a Clavinova digital piano and wireless microphone for music
- PA system & dedicated lighting rig for School Hall for concerts, plays & displays
- Electronic and visual resources for MFL (Modern Foreign Languages)
- Annual contribution to the Duke of Edinburgh Programme
- iPad and fridge freezer for Food Tech
- Camcorder for Drama
- Computers and other equipment for Art & Photography
- Computers for the library resource

How can parents/carers help the school and BSA?

- Attend the events! Watch out for notification of **BSA events** via school emails, the online newsletter, the school website (See section: About us/Parents/Events), or follow us on Facebook @ [Beaumont Parents Association](#) or Twitter @[BeaumontBSA](#).
- Join our list of "**Friends of BSA**" to offer occasional help at an event. Parents volunteering is vital to run these events. Send your contact details to bsa@beaumont.school.
- Become a member of the **BSA committee**. Joining the committee means you can be involved in the events that the BSA organises and in deciding on how the funds raised can best be used to support the school.
- If you are 'time poor' you could help by offering a donation to the '**Beaumont School Fund**' either with a one-off donation or via a regular standing order. If each family were able to donate just £5 a month, over £50,000 a year could be raised for Beaumont (£62,500 with Gift Aid) to spend on school projects. You can make your contribution via the Scopay online page.

A child starting at Beaumont is an ideal time to attend our fundraising events and meet new people while supporting your child's school. You can play a part and make a big difference to your child's experience at Beaumont!

Supporting Beaumont School

June 2019

Dear new Year 7 parents and carers

Supporting Beaumont School

There are so many different ways to support your child at Beaumont, not least of which is giving your time to talk to them, especially as they grow into their teenage years! In this letter, though, we want to draw to your attention, the ways in which you can help to add to the students' experiences of Beaumont to provide 'the icing on the cake'. It is well known that state schools are underfunded by the government, and we are grateful to all the parents who have responded to our letters so far to challenge our MP and the government to increase funding for education and hope our new Year 7 parents will continue in a similar vein. However, we also want to provide more for our students in terms of the very best equipment, facilities and opportunities we possibly can.

How can you help?

Support the BSA by joining the committee or offering your support at events. The BSA is also a great way to get to know other parents and to quickly feel a part of the Beaumont community. Do join us at our first BSA event next year, the annual family barbeque for new Year 7 students and their families on Saturday 14 September 2019.

Make a commitment to the **Beaumont School Fund** through regular giving or a one off donation. If each family were able to contribute £5 per month we would raise nearly £50,000 each year (£62,500 with Gift Aid), or £10 per family would raise nearly £100,000 every year (£125,000 with Gift Aid)! That would be amazing to enhance students' experiences at Beaumont and would be used, for example, to provide interactive screens in every classroom, to provide improved playing space, to provide better quality seating and eating areas around the school and lots more! We would really appreciate it if every family could **complete Form 7 in the Forms Booklet** if you are able to. Thank you.

The **'80 in 18' Fundraising Campaign** raised £100,000 toward our new hall and the school will be continuing to seek further funding for this ambitious project. We are looking to develop a wonderful Beaumont Arts Centre in place of the current hall. We launched Beaumont School's '80 in 18' Fundraising Campaign in 2016 to celebrate Beaumont's 80th birthday in 2018. If you are able to help in fundraising, sponsorship through your company, contacts with appropriate skills (acoustics, architects and so on) please get in touch.

A huge thank you in advance to all of you in your support of Beaumont. We are incredibly grateful for your generosity – in terms of donations, time and enthusiasm. Your continued support will undoubtedly make a significant difference in helping to secure Beaumont's future and maintaining the school's high standards.

Yours sincerely,

Mr Martin Atkinson
Headteacher
