

Confirming your Place

Why needed?

All places provisional on GCSE results.

You might want to switch subjects.

We need to know whether you are joining, as we have a waiting list for places.

Only put down subjects and combinations for which you have the correct grades.

Advice available on Results Day
Thursday 22nd August until 3pm, but
no change requests can be
confirmed then.

The form allows change requests.

We always **TRY** to meet all valid requests but no guarantees.

We discuss changes on Enrolment Day (at times specified).

Failure to hand it in to the post box, by
10am on Tuesday 27th August

means

you lose your place and you are unlikely
to get it back this year.

“But what if I am not around between 22 –
27th August?”

Enrolment Day

Tuesday 3rd September

You will get your timetable sorted
and meet your Form Tutor.

@8.30 (no changes), @9.30 (1 change)
or @11.00 (multiple changes)

“External” students must bring:

Proof of date of birth

and proof of exam results

.....on Enrolment Day, it might take
a bit more time. Sorry!
