Support for Students

Your Support Network

In the spaces in the cartoon hand, identify the five people that you will go to if you are worried about something or need support and guidance with a specific issue.

It could be someone at home, like a parent, carer or sibling. Alternatively, it could be a member of staff at school like a teacher or TA.

If you are ever in need of support, refer back to this page for ideas on who to go to.

Support at Beaumont

There is a dedicated team of staff to support and guide you through your time here. Identify who they are and where they can be found in the boxes below.
