Dear Year 11 Students and Parents/Carers,

I am writing to invite you to the BeauSandVer Consortium information evening. For over twenty years, Beaumont, Sandringham and Verulam schools have worked very closely with each other to provide students with the widest possible curriculum choice at Post 16. This was recently formalised through the formation of the BeauSandVer Education Trust.

At the information evening, we will introduce the curriculum options available and the routes forward beyond Year 11. We will provide information about the BSV application process.

In January, each school will hold an "Into the Sixth" evening offering much more subject-specific detail and opportunities be able to speak to staff and students about individual curriculum choices.

Please return the reply slip below to your form tutor, so that we can help make the best arrangements for the evening.

Yours sincerely,
