Missing or Incomplete Results

For results shown as X, # or Q: Please speak to the Examinations Officer as soon after the release of results, in order to contact the relevant Awarding Body.

Reviews of Results (RoRs)

Service 1 (Clerical re-check)

This is a re-check of all clerical procedures leading to the issue of a result.

The service will include the following checks:

- that all parts of the script have been marked
- the totalling of marks
- the recording of marks

The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry.

The fee for this service is outlined in the table below and must be submitted to the exams office by 8.00am at the latest on the deadline day. Should you wish to request a copy of the script as part of this service there is an additional fee.

The deadline for completion by the exam board is within 10 calendar days of receiving the request.

Service 2 (Reviews of Marking)

This is a post-results review of the original marking to ensure that the **agreed mark scheme has been applied correctly.**

A marking error can occur as a result of:

- An administrative error
- A failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer
- An unreasonable exercise of academic judgement

The awarding body will train its reviewers to conduct the reviews of marking accurately and consistently. **Reviewers will not re-mark the script.** Reviewers will only act to correct any errors identified in the original marking.

The service will include:

- The clerical re-checks detailed in Service 1
- A review of marking as described above

The fee for this service is outlined below and must be submitted to the exams office 8.00am on deadline day. If you request a copy of script as part of Service 2 there is an additional fee.

The deadline for completion by the awarding body is within 20 calendar days of receiving the request.

Access to Scripts (ATS)

Copies of marked scripts can be requested to support reviews of marking, with the following deadlines:

14 January: GCE A Level
28 January: GCSE English Language or Mathematics
25 February: All other GCSE's

Copies of scripts can be requested to support teaching and learning, and have the following deadlines:

4 February: GCE A Level
18 February: GCSE English Language and Mathematics
18 March: All other GCSE's

The fee is outlined below for Access to Scripts.

To submit your RoR or ATS request, please complete the relevant form and return it to the exams office by delivering to Reception with the associated full payment and within the allotted deadlines – these deadlines are NON negotiable.

Service 1, Service 2 and ATS applications all require the student's consent.

It is recommended that you request a copy of your exam script **at the time of a Review of Result request** as subsequent requests **will** result in a **delay** of the scripts delivery.

All RoRs and ATS fees include a small administration fee.
