16 December 2020

Dear Parents/Carers,

We hope this letter finds you well. As we approach the end of the Autumn term, we wanted to take the opportunity to share some news of the achievements of Year 7 and Year 8, starting with the recent 'Sustainable Christmas' morning.

On Thursday 03 December, students took part in our 'Sustainable Christmas' morning. The four different activities gave students the opportunity to achieve points to feed into our House System. As a reminder, students were tasked with:

- creating a Christmas tree using sustainable materials
- creating decorations for their form rooms using sustainable materials
- compiling packages of donations for a local food bank
- competing in our 'Santa Dash' activity

We were so pleased with the overwhelmingly positive approach to these activities from the students. Above all, we are particularly proud of the superb number of food bank donations that were received. The generosity of the students and families in Year 7 and Year 8 saw an incredible 1737 items donated to this excellent cause. We would like to thank you for your support with this and we know that the donations will make a huge difference both in the lead up to Christmas and beyond.

also from a pastoral perspective. A large number of nominations have been made and we hope students will enjoy this opportunity to share their achievements and have them recognised.

Finally, we wish to take this opportunity to thank you again for your continued support. It has undoubtedly been a different school experience for students but we have been so pleased with how they have risen to the challenge. We hope that you have a restful, enjoyable and safe Christmas and we look forward to welcoming students back after the break.
