1 March 2021

Dear Parents/Carers of Year 11

It is now only a week until Year 11 return to school. We are looking forward to seeing all the students again. We are aware that some students may find the transition back into school hard, but are also aware that the majority cannot wait to get back into school to see their teachers, friends and classmates. We have therefore decided to go straight back to a normal routine for the school day and there will be staff available all day for any students who require extra support in this transition back into school. We will also be supporting students in form times and tutor times on the transition back into school.

During the first two weeks back, we will be testing students and then we will be giving the students home test kits. We will send further information regarding this after your child has had their third test in school. You may also have seen that the government is making home testing kits available to families of students.

For further information go to:

[https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff?utm\\_medium=email&utm\\_campaign=govuk-notifications&utm\\_source=ca1c659b-95d6-490e-87c6-d6c09e85ecfb&utm\\_content=immediately](https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff?utm_medium=email&utm_campaign=govuk-notifications&utm_source=ca1c659b-95d6-490e-87c6-d6c09e85ecfb&utm_content=immediately)

The school continues to have in place all the procedures that were introduced back in September to maintain safety for both staff and students. This letter includes some reminders regarding the procedures that are currently in place to ensure that the health and safety of all members of the community are maintained.

Year 11's first day back in school full time is Tuesday 9 March 2021.

Arrival and departure to/from school:

Year 11 will now be based in A Block. Timetables were given to students before the Christmas holidays and can be seen on My Child at School. Students should arrive at school for 8.15/8.20am in the morning and line up in forms on the pavement next to the bike racks. They will then be taken into school through the main reception and will wash hands before going to their first class. Students will go straight to lesson 1. During the day they should use the hand sanitiser provided to sanitise hands before going into a new classroom. At breaks and lunchtime they will have access to the food serving area in A Block. (The break time service will not be available for the first 3 days due to the mass testing). Tutor time will take place at the end of the school day so students will leave at 3.25pm.

Movement around school to maintain social distancing:

There is a one way system in place in A block and all students must follow this to ensure that entrances and exits do not become 'bottlenecks' and maintain the flow of students. Students should at all times in corridors, outside and in class try and maintain social distancing and should not be in close contact with others.

Beaumont School is a company limited by guarantee registered in England and Wales, number 3104190 Registered Office: Beaumont School Austen Way St Albans AL4

Face coverings:

Students must wear a face covering at all times when inside a building (unless exempt), and when outside if not wearing a face covering maintain social distancing rules.

Some students may find the transition back into school difficult. To help the staff to be able make this a priority and be able to support all students in this transition we would ask that all students can make sure that the basic requirements of wearing the correct uniform, having the correct equipment, and following the one way system and social distancing are adhered to.

I include a reminder of our school uniform requirements.

<https://beaumontschool.com/wp-content/uploads/2019/09/SCHOOL-UNIFORM-2019.pdf>

<https://beaumontschool.com/wp-content/uploads/2019/09/GENERAL-UNIFORM-MATTERS.pdf>

I would like to clarify that the following are **not** acceptable as school uniform:

- Black trainers unless a medical note is provided upon return to school.
- Any piercings other than a single, plain stud in each ear lobe. Facial piercings and other jewellery other than a wrist watch are not part of our uniform requirements.
- Unusual or exaggerated hairstyles, this includes two tone, artificial hair colours and shaved or partly shaved styles, including lines and patterns.
- Skirts shorter than 5cm above the knee.

Equipment needed:

- An inkpen, rollerball pen or ballpoint pen, basic ballpoint pens in black, blue, red and green, HB pencil, eraser, pencil sharpener which collects shavings, ruler, coloured pencils, soft drawing pencils for Art, calculator, protractor and compass, glue stick, and a pencil case

Our priority is the welfare of our students and ensuring our students can resume their learning in school as quickly and smoothly as possible. We would ask if you could discuss all the above with your child in advance of returning to school to make this transition as smooth as possible.

Yours sincerely

Mrs Y Powdrell  
Deputy Headteacher
