

Dear Parents and Guardians,

This morning all year 10 students watched a presentation to introduce to them that, once again, we're working in partnership with World Challenge to offer our students something out of the ordinary. An expedition travelling to **Morocco** in **2022**.

Much more than a school trip

We share a belief that by empowering the students to lead their own expedition, they will go on to live a life of courage, kindness and adventure. From tough treks to new cultures, the day-to-day challenges of expedition life encourages students to develop life skills and build deeper confidence, resilience and empathy.

You're in expert hands

With over thirty years' experience taking away over 8,000 students every year, World Challenge lead the way in quality, safety, ethical community engagement and learning outcomes. Guided by an adult leadership team, they will step out of their comfort zones and take on roles and the leadership of their group.

World Challenge and COVID-19

World Challenge will only travel to a destination if they have assessed the situation and it will be safe to do so at the time. They also have a 'Booking with Confidence Pledge' to provide some reassurance to parents that their money is safe and will be refunded if the expedition is cancelled due to COVID-19.

Virtual Parents Information Night

During the presentation, students were directed to head over to the tailored landing page which has information about the itinerary, insurance, post COVID safety and also a sign up button for the virtual parents information evening which is going to be held on Thursday 25th March at 6:30pm. This will be an opportunity for you and your son or daughter to find out more information about the trip and ask any questions you may have. To sign up to this event here are some instructions:

1. Head over to the landing page at <https://ourworldchallenge.com/eqtv8v5>
1. Scroll down the page and on the right hand side you will see a video from Emma

2. Click on the button below the video, called Register for Zoom Presentation and here you will be able to sign up to the evening

We are really looking forward to seeing some of you on Thursday to tell you more about this amazing adventure!
