9th March 2021

Dear Parents/Carers and Students

It was so nice seeing all the students yesterday and to be able to welcome them back today into school lessons. We completed 164 student tests for Year 11 (remembering that students who have had COVID-19 within the last 90 days were not tested).

Their second test will be on **Thursday 11th March** and the third test will be either **Tuesday 16th March or Wednesday 17th March**. Students will come to school as normal and be collected from classes or will make their way to the test registration area (the new eating area on the back playground).
