9th March 2021

Dear Parents/Carers and students

It was great to see most of the students yesterday and for them to return to school lessons today. We completed 198 Lateral Flow Tests for Year 13 (remembering that students who have had COVID-19 within the last 90 days were not tested).

Their second test will be on **Thursday 11th March** and the third test on **Tuesday 16th March**. Students will come to school as normal and be collected from classes or will make their way to the test registration area (the new eating area on the back playground). To avoid any students missing lessons I have used tutor time on Thursday morning and lessons 2 and 3. On Tuesday morning some students have classes and some students have independent study. For those in classes the groups and times are listed below, please note the start at **8.00am** before school, please arrive on time. For those students who do not have lessons during Tuesday morning (lessons 1 - 3) they should arrive in the order allocated by surname in the table below.

Please see times below:
