10th March 2021

Dear Parents/Carers and Students

It was great to see most of the students yesterday and for them to return to school lessons today. We completed 241 Lateral Flow Tests for Year 12 (remembering that students who have had COVID-19 within the last 90 days were not tested).

Their second test will be on **Monday 15th March** and the third test on **Thursday 18th March**. Students will come to school as normal and will either be collected from classes or they will make their way to the test registration area (the new eating area on the back playground). To avoid any students missing lessons I have used tutor time on Thursday morning and lessons 2 and 3, and Monday morning when some students will have an independent study lesson. For those students who have a triple lesson on Monday they will need to arrive early before lessons begin at **8.00am** (as in list below), please ensure you are on time. If students do not have lessons during Monday morning they should arrive in the order allocated by surname in the table below.
