Dear Parents/Carers and Students

It was great to see the students yesterday and for them to return to school lessons. On Wednesday we completed 204 student tests for Year 8 (remembering that students who have had COVID-19 within the last 90 days were not tested).

Their second test will be on **Monday 15<sup>th</sup> March** and the third test on **Fridays 19<sup>th</sup> March**. Students will come to school as normal and be collected from classes or will make their way to the test registration area (the new eating area on the back playground).
