22 February 2022

Dear Parents/Carers

## Re: Personal Development Day Wednesday 2 March 2022

I wanted to take this opportunity to share with you the exciting programme we have planned for our Year 12 students during our next Personal Development Day on Wednesday 2 March 2022.

The day will include a focus on the application process for university and degree apprenticeships. Students will receive guidance on completing their personal statements and how to enhance any university or job application through super-curricular activities. They will also listen to a talk from the University of East Anglia, who will guide them through the process and explain more about life at university.

As part of the school's Personal, Social and Health Education programme, your child will also receive a workshop on relationships and sex education (RSE) delivered by an external provider who deliver age-appropriate and tailored workshops for Year 12 in line with the new statutory guidance on RSE. The topics they will cover include understanding sexual violence, myths and misconceptions around sexual violence, understanding the principles of consent, particularly what freedom and capacity are and analysing media depictions of sex and bodies. The purpose of the workshops is to provide knowledge and understanding of safe and positive relationships based on love and respect.

This day will be extremely beneficial for our students as they navigate their life 'Beyond Beaumont' both in relation to their education/careers, but also their wider adult life.

Yours sincerely

Mrs J Tolley  
Head of Sixth Form
