21 March 2022

Dear Year 13 Parents/Carers

I hope this letter finds you and your family well.

As we move into the final few weeks of school for our Year 13 students, we would be grateful if you could take the time to read the following important information regarding arrangements in school. Even with the upheaval in the past two years due to COVID-19, we still want to be able to celebrate the achievements the year group have made and the resilience they have shown.

### **Last day in school before exams start**

Study leave for Year 13 will commence on Friday 20 May 2022 and therefore we will hold a farewell event for students on the morning of Thursday 19 May 2022. We will provide some light refreshments and entertainment to celebrate their time at Beaumont Sixth Form.

We hold our students in the highest regard and we know that they are superb ambassadors for the school, but it would be remiss of me not to make it clear at this stage that we cannot allow anything that might be disadvantageous to Year 11 students completing their GCSEs as their exams start a week earlier than A Levels. For this reason, any behaviour that might cause disruption to these exams will result in serious consequences. In particular, I would stress that any student found in possession of alcohol on the school premises, of causing damage to school property, or of bringing the school into disrepute will be removed immediately from the premises and will very likely receive a formal suspension from school.

### **Certificate Evening**

As a formal celebration of the Class of 2022 at Beaumont, we will invite you to a Ceremony that will take place in December, where certificates will be formally presented to students and we can all share in celebrating their achievements. We will share information about this event during the autumn term, but we normally hold the event in the week before Christmas to allow those attending university to return home for the holidays.

### **Attendance at school for exams**

Please remind students to arrive in plenty of time for their exams with all the necessary equipment. A general timetable for all exams has been posted on the [school website](#) and can be found [here](#). Students will also be issued a personal timetable by the Examinations Office at a later date.

### **Year 13 Clearance**

It is hoped that all students will have been able to complete their 'clearance' from Year 13 by 27 May 2022.

The following actions need to be fulfilled by 27 May in order to confirm there are no outstanding items in their possession:

- Locker keys will need to be handed in to their form tutor.

- Library Books need to be returned or £3 to cover the cost of replacement per book.
- Any lanyards 'loaned' when students did not bring their own, need to be returned to the Sixth Form Office.
- If students have books that they would like to pass on to the new Year 12s, they can leave them in the allocated box in D19.

I very much hope that you and your child will join us in December so we can say goodbye appropriately to a wonderful cohort of Beaumont students.

Yours sincerely,

Mrs Tolley  
Head of Sixth Form
