March 2022

Dear Parent/Carer

Year 8 / 9 Personal Development Week – In School Activities

We are excited to announce the activities that are available to students staying 'In School' for Personal Development Week - Monday 4 July to Friday 8 July 2022.

Please find overleaf a detailed table of these activities. Students are requested to sign up and make payment for their first (1st) choice activities via the trips section of MyChildAtSchool (MCaS) by **Thursday 24 March 2022**. We ask that students also complete the google form detailing their first (1st) choice and also 2 reserved choices for each day so in the event of some activities being oversubscribed we are able to allocate students to another preferred choice. If no reserve activities are provided then your child will be offered an in school activity (Italian day, Drama etc) in the eventuality of a trip being oversubscribed.

The cost of each trip is included in the table overleaf as unfortunately the school is unable to meet the costs of all activities from its own funds. We are therefore requesting a voluntary contribution towards the cost of all the activities that take place throughout this week. Please be advised, that if all parents are not prepared to make these voluntary contributions then the activities may not be able to take place for any of the students.

If you would like your child to participate in an activity but will experience difficulty in making the financial contribution or have problems using the online payment system please contact - tripsandvisits@beaumont.school.

Please be reminded to ensure you keep us updated on the information you have previously provided us with regarding your child's medical condition/allergies information and the emergency contact details. Any additional information or updates should be provided in writing to the Admin email address – admin@beaumont.school.

Please do not hesitate to contact myself or our Trips and Visits Administrator - Mrs Mercer if you have any queries.

Yours sincerely

Miss Z Shepherd
