23 May 2022

Dear Parent/Carer

As you are no doubt already aware, the school will hold a week of internal exams between 6-10 June 2022. Your child will be informed of their timetable in tutor time this week. It can also be found on the school revision website (<https://revision.beaumont.school/>), along with important advice and guidance about how to prepare.

The school has held a formal Key Stage 3 exam week for several years. We believe that it helps to prepare students for the terminal linear examinations at GCSE, allowing them to get used to taking their examinations in a concentrated period.

Year 9 students are about to start the new timetable for their Key Stage 4 choices and we have incorporated this into the week. On Monday to Thursday the three session block on each morning will be an introductory lesson rather than an exam. This should enable each option subject to make an excellent start to the new course. Core examinations will then take place in English, Mathematics, Science and Modern Foreign Languages in the middle and afternoon sessions. Friday will be used for further Science testing and PE activities.

The timings of the week will run as normal and students should still aim to be at school for 8:20am, in good time for registration at 8:30am. Tutors will be discussing the week with their forms to help guide them in terms of revision, whilst also highlighting the need not to get too worried about these assessments, which are for internal purposes only. We hope that parents will be able to support their children in revision activities at home.

Thank you for your support and I trust the exams go smoothly for your son/daughter. Please do not hesitate to contact the school if you have any queries.

Yours sincerely

Mr J Mountstevens  
Deputy Headteacher
