

Beaumont School - 16-19 Bursary Fund Guidance

The 16-19 Bursary Fund aims to help 16 to 19 year-olds overcome any financial barriers they may face in order to attend sixth form. To be eligible to receive a bursary you must be aged under 19 on 31st August 2022, taking a full-time further education course in 2022/23 and you must satisfy the EFA residency criteria:

To continue to receive a bursary you must satisfy the following conditions:

- No unauthorised or unexplained absence and attendance in line with school expectations.
- Your record of completion of academic work should be in line with school expectations.

There are two types of bursary:

1. A vulnerable bursary of up to £1,200 a year for students who are:
 - in care
 - care leavers
 - receiving Income Support, or Universal Credit because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner
 - receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right
2. A discretionary bursary for students who are not in the groups above but who face genuine financial barriers to attending sixth form. A discretionary bursary is awarded based on specific requirements and can only be used to help students meet the costs related to participation, e.g. travel to school, books and equipment, field trips, and other course-related costs. It can also be used towards the cost of attending university interviews and open days. Note that travel to school costs can only be reimbursed to a maximum of £3 per day.

Students should apply for a bursary as soon as possible after admission in September and ideally before the 10th October using the 16-19 Bursary application form. In order to assess each student's actual need for financial help you will need to provide appropriate supporting evidence.

It will be possible to make further applications throughout the academic year should individual circumstances change or further specific costs be identified, but students should be aware that there is a limited amount of funding available.

Successful applicants will be informed by email and payments will be made direct into the student's bank account where appropriate.
