**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2022**

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a trustees' report, and a directors' report and strategic report under company law.

The Academy operates as a state-maintained, mixed secondary school for pupils aged 11 to 18 serving a catchment area of St Albans and the surrounding area. The number of students on roll as at the school census in Summer 2022 was 1497 including 465 in the Sixth Form.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust. The trustees of Beaumont School Limited are also the directors of the charitable company for the purposes of company law. The charitable company operates as Beaumont School.

Details of the trustees who served during the year, and to the date these accounts are approved are included in the Reference and Administrative Details on page 1.

Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

The Academy has opted into the Department for Education's Risk Protection Arrangement (RPA) to protect the Trustees and officers from claims arising from negligent acts, errors or omissions whilst on Academy business. The cost of the RPA scheme in the year was £27,911 and the element relating to Trustee Indemnity Insurance cannot be separately identified. The cover is £10,000,000.

Method of Recruitment and Appointment or Election of Trustees

Pursuant to the Articles of Association, the Trustees are appointed as follows:

- Up to 6 Trustees may be appointed by the Members of the Academy Trust (under Article 50);
- A minimum of 2 Parent Trustees are elected by parents or individuals with parental responsibility for registered pupils at the Academy or appointed (under Articles 53 to 56B). Parent Trustees must be parents or individuals with parental responsibility for registered pupils at the Academy at the time that they are elected;
- The Headteacher (Principal) is appointed by the Members as a Trustee (under Article 57); and
- The Trustees may also appoint Co-opted Trustees (under Article 58).

A combination of methods are used to identify and vet appropriate new Trustees, including use of a comprehensive skills assessment matrix; discussion with interested individuals who approach the Academy; use of search agents to find individuals with appropriate experience; interviews; and election of parents. The arrangements for election of Parent Trustees provide for every person who is entitled to vote having the opportunity to do so. Where a vacancy for a Parent Trustee is required to be filled by election, the Board of Trustees take reasonably practical steps to secure that every person eligible to stand for election is informed that they are entitled to do so. The Board of Trustees may appoint a parent to be a Parent Trustee where the number of people standing for election is fewer than the number of vacancies.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

Policies and Procedures Adopted for the Induction and Training of Trustees

A comprehensive induction pack is sent to all new Trustees shortly after their appointment. It details the structure of the Board of Trustees, the steps to be taken to complete the formalities of the appointment (such as registration with Companies House and the National Database of Governors held by the Department for Education, pecuniary, business and personal interest declarations (including family relationships) and DBS and pre-appointment checks) and includes a number of documents to allow new Trustees to familiarise themselves with the school and how it operates.

All new Trustees are invited into the school for a tour and to meet the Headteacher, Chair of Trustees and other relevant Trustees or members of the Senior Leadership Team. In addition, all new Trustees are offered a new Trustee mentor, being a more experienced Trustee, to guide them through their role as a Trustee.

New Trustees are asked to attend a meeting of each committee before deciding to which committee they are best suited as a result of their particular skills and experience.

Trustees are encouraged to attend training (in particular, induction training, safeguarding and Prevent training) within the first six months of their appointment, if possible. A log is kept of all Trustee training undertaken and is reviewed on a regular basis at Trustee meetings. Trustees are required to refresh safeguarding training every four years and exclusions training every two years.

All Trustees agree to a written code of practice which they sign upon their appointment and again annually in each Autumn term.

Organisational Structure

The Members of the Academy meet a minimum of once a year.

The Headteacher is the Accounting Officer of the Academy.

The Board of Trustees comprises those persons appointed under the Articles of Association as set out in the paragraph headed '**Method of Recruitment and Appointment or Election of Trustees**' above. It is responsible for the strategic direction of the school and meets a minimum of six times a year as a full Board of Trustees, supported by two committees (i) Community, Teaching and Learning and (ii) Resources, each of which meets five times a year.

Terms of reference for the Board of Trustees and the committees are agreed at the first full Board of Trustees meeting of the academic year and all committees comprise appropriately qualified members. The Board of Trustees agrees, reviews and monitors the Plan for School Improvement and oversees school policies.

The day to day management of the Academy is delegated to the Headteacher who undertakes the key leadership role overseeing the educational, pastoral and administrative functions of the school, and the appointment of all staff. The Headteacher is supported by the Senior Leadership Team which during the period to 31 August 2022 comprised two Deputy Headteachers, four Assistant Headteachers and the School Business Managers. The Senior Leadership Team works closely with Middle Leaders, who in turn work with staff in their teams and departments, to ensure that the Plan for School Improvement and the overarching aims of the school are delivered.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

Arrangements for setting pay and remuneration of key management personnel

There is a Pay and Performance Appraisal Policy which is reviewed annually by the Board of Trustees. In setting the Headteacher's pay, the Board of Trustees have assigned the school to a Headteacher Pay Range group in accordance with the School Teachers Pay and Conditions Document (STPCD). This is then reviewed by the Pay Review Group (consisting of three appropriate Trustees) to agree the pay range for the Headteacher and for the Deputy Headteachers, taking into account the permanent responsibilities of those roles, any challenges specific to the roles, performance to date, and all other relevant considerations.

All Senior Leadership Team posts (Teaching) follow the same performance review procedures as other teaching staff. These reviews are completed by 31 October each year (Headteacher post by 31 December). Following the performance appraisal process, all review documentation is moderated by the Headteacher and is then usually also subject to review by an external consultant. The Headteacher's report and the report by the external consultant are presented to the Pay Review Group which scrutinises the proposals. The Pay Review Group presents all recommendations in a report to the Resources committee for ratification. The Headteacher's performance management is undertaken by the Pay Review Group with the support of an external adviser and is reported to the Resources Committee.

Trade union facility time

There was no paid time spent on trade union facilities and no paid trade union activities.

Related Parties and other Connected Charities and Organisations

The Academy works closely with two local schools, Sandringham and Verulam, to deliver a wide range of courses at post-16 and to encourage professional development of staff; this is known as the BeauSandVer Consortium. The Academy is also an active member of the local Headteachers' group and part of a network of local schools delivering a highly successful Schools' Direct programme, co-ordinated by the local Alban Teaching Schools Hub.

OBJECTIVES AND ACTIVITIES.

Objects and Aims

The objects of the Academy are:

- a) to advance for the public benefit education in the United Kingdom, in particular, but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum; and
- b) to promote for the benefit of the inhabitants of St Albans and the surrounding area the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and with the object of improving the condition of life of the said inhabitants.

The aims of the Academy are to prepare young people to become active, caring and confident citizens who lead rewarding lives. The Academy will do this by helping each young person to flourish within a school community which is committed to:

- Providing outstanding learning opportunities within a broad and balanced curriculum;
- Creating a safe and caring environment in which every young person enjoys learning;
- Promoting equal opportunity for all members of our community, regardless of their ability, background or culture; and
- Developing an awareness of our world, celebrating diversity and promoting a concern for the environment.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

The Academy wants every student who leaves Beaumont School to do so with a sense of pride in their achievements, an awareness of their responsibilities and a sense of appreciation for all the opportunities they have experienced. The Academy is very proud of its community ethos, which is central to all significant Trustee decisions.

Objectives, Strategies and Activities

The detailed objectives, strategies and activities for the Academy are outlined in the Plan for School Improvement. The Board of Trustees and the relevant committees oversee the key priorities within the Plan for School Improvement:

- (i) Ensure consistent implementation of an ambitious curriculum and assessment which is aligned with it;
- (ii) Ensure that behaviour enables all members of the school community to feel safe and to learn effectively;
- (iii) Promote equality, diversity and inclusion within the school community;
- (iv) Promote the personal development and wellbeing of all students;
- (v) Promote high quality continuing professional development of staff;
- (vi) Ensure financial sustainability for the school;
- (vii) Make progress with long term strategic site development.

Public Benefit

The Academy is a charitable trust which seeks to benefit the public through the pursuit of its stated aims (see above). The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

Whilst the Academy is independently governed, it remains state-funded and free for students. Its admissions policy is operated by Hertfordshire County Council, so as to ensure fair and inclusive access for local students across the full range of abilities. The Trustees pay close regard to the charitable objectives of the Academy, particularly through seeking to achieve its aims and maintain its ethos through the implementation of the Plan for School Improvement, which ensures a broad and balanced curriculum, a safe and caring learning environment and equality of opportunity.

The Trustees continue to invest heavily in the improvement of the Academy's facilities, which will benefit both the Academy's students and the local community. Following a successful Condition Improvement Fund bid works are being completed to upgrade heating systems. The Academy has made successful bids to both the School Rebuilding Programme and the ESFA Condition Improvement Fund. These projects are mutually exclusive and so a decision will need to be made as to which to take up, the likelihood being the former. This should result in a new school hall and drama and Music facilities.

STRATEGIC REPORT

Achievements and Performance

The Academy continues to demonstrate outstanding performance through its academic results.

GCSE performance measures:

	2019	2022
Attainment 8	60.7	66.6
Progress 8	0.61	1.06
% Strong Pass (Grades 9-5 in both English and Maths)	73%	82%
% Standard Pass (Grades 9-4 in both English and Maths)	87%	93%

A Level performance measures:

	2019	2022
APS per entry	38.9 (B)	42.6 (B+)
% A*-B grades	68%	75%
% A*-A grades	32%	45%
A level value added	0.2	n/a

The tables show the most recent sets of external examinations (2020 and 2021 were Centre / teacher awarded grades and therefore comparisons are not applicable).

The 2022 results put the Academy well inside the top 5% of schools for progress at GCSE and there are no progress measures for position A level in 2022 but the attainment results are also exceptionally high. These results were the outcome of excellent teaching and committed students and also demonstrate the quality of remote learning delivered in the first year of each course.

The school has further improved its popularity with record numbers of both applications and first choice applications, with a significant gap to its nearest competitors. The sixth form has continued to expand due to the excellent examination results and reputation of the school.

Key Performance Indicators

There are a number of non-financial indicators which the Academy uses to analyse performance, including Ofsted inspection outcomes and academic results. In addition, the Academy closely monitors student attendance data which is regularly reviewed by the Trustees. Student recruitment is also monitored: the school's Year 7 intake is heavily oversubscribed each year and entry into the Sixth form has continued to increase during this academic year. In the 2022-23 academic year, the school was requested to take an additional 30 students in the Year 7 intake by Hertfordshire County Council with the possibility of a similar request for the next academic year.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

In terms of financial performance indicators, the Board of Trustees has delegated the responsibility for considering the main financial performance indicators to the Resources Committee. This committee monitors and reviews the following indicators as appropriate:

- Monthly variances against the budget;
- Staff costs as a percentage of General Annual Grant Income;
- Cash Flow;
- Revised outturn forecasts;
- Restricted and unrestricted funds carried forward.

As part of the budget setting process 12 KPI's are considered including Pupil Teacher ratio, FTE and total staff costs as % of income. These are considered on a year on year comparison basis including the previous financial year and the next three financial years.

Throughout the year KPI's are monitored as part of the monthly management accounts and these include the ones above as per budget setting Pupil Teacher ratio, FTE and total staff costs as % of income. In addition, expenditure costs are monitored, in particular, energy costs.

In addition to considering the indicators above, the Resources Committee also review the annual benchmarking report which is created using the DfE benchmarking tools. This considers historic performance against the same KPI's in comparison with other similar schools.

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

FINANCIAL REVIEW

The majority of income is received from the DfE (via the Education and Skills Funding Agency) in the form of its General Annual Grant (GAG), which is largely based on student numbers in the preceding year and notified before the start of the year. The GAG received from the DfE during the period ended 31 August 2022 and the associated expenditure are shown as Restricted Funds in the Statement of Financial Activities (SoFA). The value of assets is shown within Restricted Fixed Asset funds on the balance sheet. In common with many other Academies and Local Authorities, the Academy has a deficit position on the Local Government Pension Scheme (LGPS). The value of this deficit is £510K as at 31 August 2022. However, given the nature of the liability, this is not payable immediately. The next triennial valuation for the LGPS will reflect the position as at 31 March 2022, at which point the Employers Contribution rate will be reviewed.

COVID-19 impact

During the year, the Academy had a carry forward of covid catch-up funding of £45,961 which has been spent on additional resources and tutoring for students.

The Academy received 34 new/chrome books from the DfE and participated in the Government's Free School Meals voucher scheme. Over 160 students attended a highly successful activity Summer School programme was put in place with all Year 7 intake students invited to attend for 3 days.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

Reserves Policy

The Academy is permitted to carry forward unspent GAG from one year to the next and may use such carry forward amount in accordance with the restrictions as specified in the Academies Handbook. Any other funding may also be carried forward and all amounts carried forward are categorised as restricted or unrestricted reserves. The policy of the Academy is to carry forward a prudent level of unrestricted reserve designed to meet one month's expenditure and to provide a level of contingency for any other unforeseen expenditure. Considerations for the use of reserves this year must also include higher utility bills and unfunded salary increases. The Academy will be setting out a conditional plan for further expenditure of reserves on facilities and projects during the course of this coming year taking into account the works that will be included within the School Rebuilding Programme.

Trustees monitor reserves to ensure that they are sufficient to enable the Academy to run on an efficient basis whilst maintaining the highest quality of teaching and learning. They challenge the Academy to ensure that reserves are spent appropriately and efficiently to ensure that outstanding teaching and learning can be maintained.

The Academy is a member of an LGPS pooled arrangement with a large number of other Hertfordshire academies. The current liability of £510k is typical of Academies of a similar size and does not result in an immediate cash flow impact on the Academy.

At 31 August 2022 the total funds comprised:

Unrestricted		£1,199,665
Restricted:	Fixed asset funds	£30,924,563
	Pension reserve	(£510,000)
	Other	£267,752
		<hr/>
		£31,881,980

Investment Policy

There are currently no investments held beyond cash deposits retained with a major UK clearing bank. The Academy's investment policy was reviewed in March 2022. This policy allows for funds to be held in UK regulated banks and financial institutions that are authorised by the Financial Conduct Authority. Funds may be invested for periods of between six weeks and three years provided that funds can be withdrawn before the investment term albeit with an interest penalty if required.

Principal Risks and Uncertainties.

The Trustees are responsible for overseeing the risks faced by the Academy. Detailed consideration of risks are delegated to the Senior Leadership Team who maintain a risk register in which risks are identified and assessed, and controls established.

Through the risk management processes established for the Academy, the Governors are satisfied that the major risks identified have been adequately mitigated where possible. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

The Academy's risk register is comprehensive and is regularly reviewed at management level and considered at least annually by the Trustees. The principal risks and uncertainties that the Academy faces, in addition to those posed by the ongoing COVID-19 situation, are the uncertainty over future levels of funding and the potential need to achieve any financial efficiencies required whilst continuing to provide an outstanding education to the students. The Academy will make every effort to respond to changes whilst maintaining the highest quality of teaching and learning. The increase in student admissions in Year 7 from 186 to 210 (from September 2018) has helped to secure the financial position of the Academy. In addition for September 2022 an additional form for year 7 to take this intake temporarily to 8 form was requested by Hertfordshire County Council. This increase has been successfully managed by the Academy.

The Academy also faces risks from premises and facilities improvement works that are being planned and maintains comprehensive risk registers which are specific to those projects in which those risks are identified, assessed and controls established. The Trustees closely monitor spend and management of all such projects.

The main financial instrument of the Academy is cash and the financial risk management objective is to reduce cash flow risk by monitoring the bank account and managing expenditure. Debtors are closely monitored and steps taken to minimise the risk of non-payment.

FUNDRAISING.

The Academy Trust undertakes various activities in order to generate additional funds, including hiring the Academy's facilities. There is also a separately governed Parent Teacher Association called the Beaumont School Association (BSA) which has the charitable objective of advancing the education of the pupils of the Academy by providing and assisting in the provision of facilities for education at the school. This year the BSA donated funds towards a new canopy and developing the playground area outside the new science block. All fundraising is monitored by the Resources Committee of the Board of Trustees.

**TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022**

PLANS FOR FUTURE PERIODS

The principal tasks ahead are (i) to maintain and build upon the excellent standards achieved and (ii) to continue to develop the facilities such that they continue to provide outstanding opportunities for all students.

The Academy is a highly over-subscribed, outstanding secondary school which provides a superb education for students in the local community. In line with recent national trends, there has been a significant increase in the demand for Year 7 places in parts of Hertfordshire, particularly in St Albans and the surrounding areas. This is forecast by Hertfordshire County Council (HCC) to increase further. Hence we increased temporarily to 8 form entry for September 2022 and are in consideration for the same outcome for September 2023.

The Academy has been successful in fundraising towards the aim of developing a new, multi-purpose hall and performing arts centre to be called the Beaumont Arts Centre. Full planning consent has now been granted for this project.

The ongoing impact of COVID-19 on the Academy and its community is not fully known, but the additional Catch Up funding, Recovery funding and School-led tutoring funding which the Academy is receiving is being used to do everything possible to alleviate any learning loss caused by periods of lockdown. Extracurricular activities are now restarting and residential trips and other activities are being planned.

FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

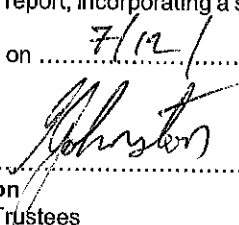

The Academy does not hold funds as a custodian on behalf of others.

AUDITOR

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.
- MHA MacIntyre Hudson are deemed to be reappointed under section 487 (2) of the Companies Act 2006.

Trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 7/12/.....2022 and signed on the board's behalf by:

GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2022

SCOPE OF RESPONSIBILITY

As trustees we acknowledge we have overall responsibility for ensuring that Beaumont School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of trustees has delegated the day-to-day responsibility to the Headteacher as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Beaumont School and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

During the Covid-19 pandemic, the Trustees recognised the need for additional analysis of risk and discussion of measures taken to protect the health and safety of students and staff. Covid-19 was a standing item on all agendas of Trustee meetings, and the Trustees considered appropriate amendments to the Academy's Safeguarding Policy and risk assessments. Where appropriate, additional meetings of specific Trustees were held to support the Headteacher and Senior Leadership Team with responding to the pandemic. All Trustee meetings were moved online, and the Chair of Trustees supported the Headteacher, where necessary, with decision-making in relation to Covid-secure measures to minimise transmission and infection rates. The Academy won praise from students, staff and parents for its robust approach, successful minimisation of infection rates, and clear communication of guidance and steps taken.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The full **board of trustees** has formally met 6 times during the year. Attendance during the year at meetings of the board of trustees was as follows:

**GOVERNANCE STATEMENT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022**

The Board of Trustees considers self-assessment to be a strategic priority and regularly reviews its composition, effectiveness and skills to ensure that it provides effective support and challenge for the Academy.

Following the embedding of the new governance arrangements across 21-22, and the retirement of a number of longstanding Trustees, the Board of Trustees recognised the need (1) to increase the number of skilled Trustees on the Board and (2) to diversify representation on the Board. The Board of Trustees has adopted a strategic priority (and a key priority on this year's Plan for School Improvement) of embedding equality, diversity and inclusion at all levels of the Academy, and intends to lead by example. Accordingly, the Board successfully undertook a recruitment process involving: a professional search for new Trustees with financial and/or legal skills; reaching out to appropriate members of the local community who could bring diverse views and backgrounds to the Board; and encouraging appropriate parents to apply to be Trustees. The Board of Trustees considers that it is taking proportionate action to meet a legitimate objective (i.e. the diversification of views on the Board of Trustees) to appoint a selection of new Trustees, with a variety of skills and backgrounds, in order to ensure effective future support and challenge for the Academy and to complement the current skills and long experience of the existing Trustees. Via this process three new trustees and two new parent trustees were appointed during 21-22.

The Resources Committee is a sub-committee of the main board of trustees. Its overall remit is to assist the decision making of the Board of Trustees by enabling more detailed consideration to be given to the best means of fulfilling the Trustees' responsibility to ensure sound management of the Academy's finances and resources, including proper planning, internal scrutiny, monitoring and probity. The Resources Committee makes appropriate comments and recommendations on such matters to the Board of Trustees on a regular basis. Major issues are referred to the main Board of Trustees for ratification.

M R Cameron, who is a Chartered Accountant, is a member of the committee.

Attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
M J Atkinson, Headteacher	5	5
M R Cameron	3	5
R Davidson	3	4
A N Hall	4	5
W I Johnston	5	5
G K Kellett	2	3
D A Lee, Chair of Committee	5	5
M Maltz	1	2
E Sjostrand	1	2
I Winter	1	2

The functions of the Audit Committee have been delegated to the Resources Committee under the Committee terms of reference agreed by the main Board of Trustees.

Conflicts of interest

All trustees and senior staff are required to complete and review a register of interests annually. In addition, every board meeting and every committee meeting has a standing agenda item requiring attendees to declare any potential conflicts of interest and withdraw from the meeting for that item. The register of trustee interests is published on the school website.

Meetings

The full board of trustees meets six times each year and the two committees each meet five times each year.

GOVERNANCE STATEMENT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

Governance reviews:

The board of trustees undertakes self-assessment annually using the NGA self-assessment template. The results are reviewed at a board of trustee meeting and any potential areas of weakness considered. The most recent self-assessment indicated high levels of expertise in all of the key areas. New trustees are encouraged to participate in training to develop their skills and understanding.

REVIEW OF VALUE FOR MONEY

As accounting officer, the Headteacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the Academy Trust has delivered improved value for money during the year by:

- continuing to develop a collaborative approach in the delivery of courses at Key Stage 5 by working in close partnership with two other local secondary schools, which means that a wider range of course options can be delivered in a more cost-effective way;
- achieving purchasing efficiencies as a result of benchmarking and the use of DfE recommended purchasing frameworks and the robust challenge of spending decisions; and
- implementing a rigorous programme of curriculum review that has resulted in staff efficiencies.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Beaumont School for the period 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The board of trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

**GOVERNANCE STATEMENT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022**

THE RISK AND CONTROL FRAMEWORK

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the resources committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

The board of trustees has bought in Internal Scrutiny service from Herts for Learning Ltd.

The Internal Scrutiny role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. In particular, the checks carried out in the current period included:

- Systems and controls;
- Bank reconciliations;
- Purchasing and procurement;
- Governance;
- Policies.

This schedule of work was delivered as planned during the period and no material control issues have been identified as a result of this work.

FOR THE YEAR ENDED 31 AUGUST 2022

REVIEW OF EFFECTIVENESS

As accounting officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of Herts for Learning Ltd;
- the work of the external auditor;
- the school resource management self-assessment tool; and
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Resources Committee and a plan to ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Beaumont School I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2021.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academy Trust Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees (who are also the Directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

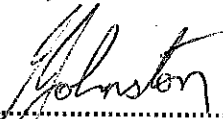

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
BEAUMONT SCHOOL**

Opinion

We have audited the financial statements of Beaumont School (the Academy) for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

BEAUMONT SCHOOL (CONTINUED)**

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the Directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual potential litigation and claims;
- Enquiry of entity staff in compliance functions to identify any instances of non-compliance with laws and regulations;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias; and
- Reviewing financial statement disclosures and testing to supporting documentation to access compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the Academy's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's Members those matters we are required to state to them in an Auditor's Report and for no other purpose. INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO BEAUMONT SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 3 September 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Beaumont School during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Beaumont School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Beaumont School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Beaumont School and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Beaumont School's Accounting Officer and the Reporting Accountant

The Accounting Officer is responsible, under the requirements of Beaumont School's funding agreement with the Secretary of State for Education dated 1 July 2012 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

BEAUMONT SCHOOL

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO BEAUMONT SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw our conclusions include:

- Reviewing the Minutes of the Governing Body and other evidence made available to us, relevant to our consideration of regularity;
- A review of the objectives and activities of the Academy, with reference to the income streams and other information available to us as Auditor;
- Testing a sample of payroll payments to staff;
- Testing a sample of payments to suppliers and other third parties;
- Testing a sample of grants received and other income streams;
- Consideration of governance issues; and
- Evaluating the internal control procedures and reporting lines, and testing as appropriate and making appropriate enquiries of the Accounting Officer.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. General information

Beaumont School is a company limited by guarantee incorporated in England and Wales

The address of the registered office and principal place of operation are detailed on page 1.

The nature of the Academy's operations and principal activity are detailed in the Trustee's Report.

2. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

2.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared on a going concern basis, under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The financial statements are prepared in Pound Sterling which is the functional currency of the Academy Trust and rounded to the nearest Pound Sterling.

2.2 Going concern

The Trustees have assessed the going concern status of the Academy Trust. That assessment includes the impact of COVID-19.

The Trustees consider that the Academy Trust has sufficient liquid resources and support to enable the Academy Trust to cover its costs and pay its liabilities as they fall due for a period of at least 12 months from the date of approval of the financial statements.

Consequently, the Trustees have concluded that there are no material uncertainties that may cast significant doubt about the Academy Trust's ability to continue as a going concern for the next 12 months from the date of approval of these financial statements. Accordingly, the going concern basis has been adopted in preparing the financial statements..

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

• **Expenditure on raising funds**

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

• **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.4 Expenditure (continued)

All resources expended are inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.7 Intangible assets

Intangible assets costing £2,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment.

Amortisation is provided on intangible assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life.

The estimated useful lives are as follows:

Computer software	-	33% straight line
-------------------	---	-------------------

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.8 Tangible fixed assets

Assets costing £5,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted or restricted funds, a transfer is made from these funds to the restricted fixed asset fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Long-term leasehold property	- 2% straight line
Long-term leasehold land	- over the length of the lease

Assets under construction are not depreciated until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

2.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.10 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.11 Liabilities

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.12 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in Note 17. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in Notes 18 and 19. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

2.13 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

2.14 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.15 Agency arrangements

The Academy Trust acts as an agent in distributing 16-19 Bursary Funds from the ESFA. Payments received from the ESFA and subsequent disbursements to students are excluded from the Statement of Financial Activities as the Academy Trust does not have control over the charitable application of the funds. The Academy Trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the Statement of Financial Activities. Where funds have not been fully applied in the accounting period then an amount will be included as amounts due to the ESFA, within Creditors: Amounts falling due within one year.

2.16 Fund accounting

Unrestricted funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022**

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in Note 27, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgment:

The Trustees have considered the value of tangible fixed assets. Changes in the circumstances or expectations of future performance of an individual asset may be an indicator that the asset is impaired, which would require the book value to be written down to its recoverable amount. Impairments are reversed if conditions for impairment are no longer present. Due to their nature, evaluating whether an asset is impaired requires a significant degree of judgement and may to a large extent depend on the assumptions made in its evaluation. The Trustees have concluded that the valuation of the tangible fixed assets as at the year end are appropriate.

The Trustees have reviewed the asset lives and associated residual values of all fixed asset classes and have concluded that asset lives and residual values are appropriate.

14. Trustees' and Officers' insurance

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

The specific purposes for which the funds are to be applied are as follows:

The unrestricted General fund represents the Trust's unrestricted fund activities.

The General Annual Grant (GAG) represents the core funding for the educational activities of the Trust via the Education and Skills Funding Agency (ESFA) by the Department for Education (DfE). The GAG fund has been established because the GAG must be used for the normal running costs of the Trust. During the year funds of £179,721 were transferred to the NBV of fixed assets for additions made using these funds.

The Pupil Premium fund has been established to recognise the restricted funding from the ESFA to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

The Other DfE/ESFA Grants fund has been created to recognise the restricted funding received from the DfE/ESFA which fall outside the scope of core funding.

The Local Authority Grants fund has been set up to recognise the income received from Hertfordshire County Council as a contribution towards the cost of the Trust's revenue expenditure. Funding received for Special Educational Needs is also recognised within Local Authority Grants. These funds are to assist with the costs incurred providing disadvantaged students with the additional educational resources that they require.

The Other Government Grants fund has been set up to recognise the restricted funding received from all other Government bodies which fall outside the scope of core funding.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

20. Statement of funds (continued)

The Other activities fund has been established to recognise all other restricted income and expenditure which falls outside the scope of the Trust's core funding.

The Pension reserve has been created to separately identify the pension deficit inherited from the Local Authority upon conversion to Academy status, and through which all the pension scheme movements are recognised.

The NBV of fixed assets fund has been set up to recognise the tangible fixed assets held by the Trust and is equivalent to the net book value of intangible and tangible fixed assets. Amortisation of intangible fixed assets and depreciation of tangible fixed assets is allocated to this fund. Transfers in of £924,524 reflect capital additions less disposals and impairments.

The DfE/ESFA Capital Grants fund has been created to recognise capital grants received from the ESFA and the DfE. Capital grants spent on capital expenditure are shown as a transfer within the restricted fixed asset fund between the Capital grants fund and the NBV of fixed assets fund. Capital grants spent on revenue expenditure are shown as expenditure within the Capital grants fund. Capital grants received and receivable, but not yet spent, are held as current assets within the restricted fixed assets fund. Transfers out of £495,756 reflect capital additions less disposals and impairments.

The Local Authority Capital Grants fund has been created to recognise capital grants received from the Local Authority. Capital grants spent on capital expenditure are shown as a transfer within the restricted fixed asset fund between the Capital grants fund and the NBV of fixed assets fund. Capital grants spent on revenue expenditure are shown as expenditure within the Capital grants fund. Capital grants received and receivable, but not yet spent, are held as current assets within the restricted fixed assets fund. Transfers out of £136,012 reflect capital additions less disposals and impairments.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2022.

27. Pension commitments

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Hertfordshire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £131,039 were payable to the schemes at 31 August 2022 (2021 - £125,009) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

FOR THE YEAR ENDED 31 AUGUST 2022

27. Pension commitments (continued)

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the year amounted to £926,000 (2021 - £876,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £312,000 (2021 - £298,000), of which employer's contributions totalled £244,000 (2021 - £236,000) and employees' contributions totalled £68,000 (2021 - £62,000). The agreed contribution rates for future years are 22.6 per cent for employers and 5.5-12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
