December 2022

Dear Parent/Carer

Year 8 / 9 Personal Development Week (PDW) – In School Activities

We are excited to announce the activities that are available to students staying 'In School' for Personal Development Week (PDW) – Monday 3 July to Friday 7 July 2023, please find overleaf a detailed table of these activities.

Students are requested to sign up and make payment for their first choice of activity for each day via the 'Trips' section of your **MCaS** account by no later than **Tuesday 31 January 2023**.

We ask that students also complete this [PDW - In School Activity Choices](#) detailing both their preferred choice (already signed up to on MCaS) and 2 additional reserve choices for each day. It is our intention to offer students their preferred choice of activity for each day, however, there are instances where a maximum capacity is in place and a trip may become oversubscribed. In such instances we allocate places based on a lottery system and those students who have not been allocated their preferred choice will be allocated one of their reserve choices.

If the [PDW - In School Activity Choices](#) is not completed and no reserve activities are provided, your child will be offered one of the In-School activities that have no charge – Art, Textiles, etc.

The cost of each trip is included in the table overleaf and, as unfortunately the school is unable to meet the costs of all activities from its own funds, we request a voluntary contribution for these amounts for the activities. Please be advised, that if all parents are not prepared to make these voluntary contributions then the activities may not be able to take place for any of the students.

If you would like your child to participate in an activity but will experience difficulty in making the financial contribution please contact tripsandvisits@beaumont.school for assistance.

Please be reminded to ensure you keep us updated on the information you have previously provided us with regarding your child's medical conditions/allergies information and the emergency contact details. Any additional information or updates should be provided in writing to the school – admin@beaumont.school.

Please do not hesitate to contact myself or our Trips and Visits Coordinator - Mrs Mercer if you have any queries.

Yours sincerely

Miss Z Shepherd
Assistant Headteacher
