December 2022

Dear Parent/Carer

## **Edexcel Economics Grade Booster, Vue Cinema, Westfield, Stratford City – Tuesday 28 March 2023**

I am delighted to be able to offer Year 13 Economics A A Level students the opportunity to attend a study day relating to their A Level Economics A course. The day has been designed to help students with their understanding of quantitative skills required for their course, building awareness of recent relevant economic developments and how they can use these to improve their answers, as well as mastering exam technique.

Students will be expected to make their own way to the venue, where registration opens at 9:45am. They will be required to bring a packed lunch or enough money to cover their food and drink for the day. The session finishes at 3:15pm and students will make their own way home from the venue.

The cost of the trip will be **£49** and this will cover the entry to the event. Unfortunately, the school is unable to meet the cost of this trip from its own funds so the visit will only be able to go ahead if parents are prepared to make the voluntary contribution. Please note, if all parents are not prepared to make the contribution the visit may not be able to take place for any of the students.

If you would like your child to participate in this trip but will experience difficulty in making the contribution then please contact us before signing up to the trip.

The school's method of payment for trips is through your child's 'My Child at School' (MCaS) account and payment should be made and consent received by no later than **Sunday 8 January 2023**.

Please be reminded to ensure you keep us updated on the information you have previously provided us with regarding your child's medical conditions/allergies information and the emergency contact details. Any additional information or updates should be provided in writing to the school – [data.correction@beaumont.school](mailto:data.correction@beaumont.school)

I will issue more information, including recommended train connections, to students in due course but if you have any queries in the meantime, please do not hesitate to contact me.

Yours sincerely

Mrs Prairna Sharma  
Teacher of Economics
