HOW TO COMMENT OR COMPLAIN

We care about what you think

Each day this school makes many decisions and tries hard to do the best for all of its students. Your comments - whether positive or negative - are helpful for our future planning.

You may want to talk to us about a particular aspect of this school, though not actually make a complaint - you may just want to get something 'off your chest'.

If you are dissatisfied about the way your child is being treated, or any actions or lack of action by us, please feel free to contact us:

Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to Beaumont School about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Beaumont School takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In such cases, you will be referred to another staff member. Similarly, if the member of staff directly involved feels unable to deal with your concerns, you will be referred to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is the most important factor.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Beaumont School will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

Our aims

It is our aim that:

- Your complaint will be dealt with honestly, politely and in confidence.
- Your complaint will be investigated thoroughly and fairly.
- If your complaint is urgent, we will aim to deal with it more quickly.
- We will keep you up to date with progress at each stage.
- You will receive an apology if it is found that a mistake has been made.
- You will be told what (if anything) we are going to do to put things right.
- You will get a full and clear written reply to formal (Stage 2) complaints within **28 school days (5½ weeks)** of the date that the Stage 2 complaint is received by the Chair of Trustees, if we are not able to do so within that timescale we will explain why and keep you informed of the timescale.
- Complaints shall be dealt with confidentially, and that confidentiality shall be respected by all parties concerned.

References to 'school days' are references to week days during term time when the students are in attendance for lessons at the school and therefore exclude weekends, holidays and INSET days.

How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a complainant, provided that the third party is able to demonstrate to the School that they have the appropriate consent to do so.

Concerns should be raised with either the Class Teacher, Key Stage Lead or Head of Year or Head of Subject. The school will aim to resolve your concern (if raised informally) within **fifteen school days** of the date it was raised.

We know that it can feel uncomfortable to question or challenge something, but if you don't tell us what is worrying you, we cannot explain why we are doing something or what we are doing or how we are trying to put it right. We should be able to sort out your worries, but sometimes this may not be possible.

If the issue remains unresolved, the next step is to make a formal complaint.

Complainants should not approach individual trustees to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the formal complaints process. In the event that a Trustee is approached by a complainant, they should signpost the complainant back to the most appropriate person. This could be the Class Teacher, Key Stage Lead, Head of Year, Head of Subject, Headteacher or Chair of the Board of Trustees, depending on which stage the complaint has reached.

Complaints against School staff (except the Headteacher) should be made in the first instance, to the Headteacher via the School Office. They should be marked Private and Confidential.

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

Complaints regarding the Headteacher should be addressed to the Chair of the Board of Trustees and submitted via the School Office. They should be marked as Private and Confidential. The School Office will ensure that the Chair of the Board of Trustees receives this promptly.

Complaints about the Chair of the Board of Trustees, any individual trustee or the whole Board of Trustees should be addressed to the Clerk to the Board of Trustees and submitted to the School Office. They should be marked Private and Confidential. The School Office will ensure that the Clerk receives this promptly.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask a third-party organisation for example like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

If a complainant is unable to submit their complaint in writing, the School will ensure that the issues being complained about and the outcomes being requested are documented in writing. The School may do this in either of the following ways:

- Invite the complainant to a meeting with the Headteacher or Chair of the Board of Trustees (depending on what stage the complaint has reached) and a Notetaker. The Notetaker will document the issues being complained about and the complainant's desired outcomes, as discussed and agreed during the course of the meeting. At the end of the meeting, the complainant will be given a copy of the notes of the meeting containing this information and the School will retain the original copy for the purpose of investigating the complaint(s).
- Signpost the complainant to independent support, including Advocacy. Advocates provide qualified, independent support for people that have difficulty understanding information and advice or who would like support in communicating their views. Advocates can help complainants to formulate their complaint and then submit it on their behalf and support them through the complaints process. POhWER was founded in Hertfordshire in 1996. They deliver services in Hertfordshire as part of the HertsHelp service, in partnership with a wide range of voluntary sector organisations, including Advocacy. It is a free and impartial service. Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Trustees, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this timeframe if exceptional circumstances apply.

To enable the School to make this decision, the complainant will be asked to explain their reasons as to why they have taken longer than three months to raise their complaint. If the complainant does not provide any explanation or the School deems that the explanation given is not compelling or exceptional enough to warrant the issue(s) being investigated as a late complaint, the School will confirm this in writing and take no further action.

Complaints received outside of term time

Beaumont School will consider any complaints made outside of term time to have been received on the first school day after the holiday period. The School will send the complainant an acknowledgement of their complaint, confirming the date of receipt, what will happen next and the timescale that applies. This will differ depending on what stage of the complaints process has been reached.

Scope of this complaints procedure

This procedure covers all complaints about any provision of community facilities or services by Beaumont School, other than complaints that are dealt with under other statutory procedures, including those listed below.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against Beaumont School in relation to their complaint, we will consider whether to suspend the complaints procedure until those legal proceedings have concluded.

Natural Justice

Simply put, the rules of natural justice relate to fairness. The school will ensure that all concerns, difficulties or complaints are dealt with in accordance with the following principles:

- All parties will be provided with all information and documentation pertinent to the matters raised;

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

- All parties will be given the opportunity to prepare and present their case and respond to the other parties involved;
- All persons investigating and making decisions in relation to the matters raised will be impartial and will do so without bias (or apparent bias) to any party involved;
- All decisions will be made on a balanced and considered assessment of the information before the investigator only; and
- All decisions will be based upon logical conclusions based on evidence, and not on mere speculation or suspicion.

Resolving complaints

At each stage in the procedure, Beaumont School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

Withdrawal of a complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1 – Informal complaints

It is to be hoped that most concerns can be expressed and resolved on an informal basis.

Concerns should be raised with either the class teacher, year head / subject head or head teacher. Complainants should not approach individual trustees to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

At the conclusion of their investigation, the appropriate person investigating the complaint will provide an informal written response within 5 school days of the date of receipt of the complaint.

If the issue remains unresolved, the next step is to make a formal complaint.

Stage 2 – Formal complaints

Formal complaints must be made to the head teacher (unless they are about the head teacher), via the school office. This may be done in person or in writing (preferably on the Complaint Form).

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

The head teacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Within this response, the head teacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The head teacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The head teacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.

During the investigation, the head teacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the head teacher will provide a formal written response within 20 school days of the date of receipt of the complaint.

If the head teacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Beaumont School will take to resolve the complaint.

The head teacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

If the complaint is about the head teacher, or a member of the Board of Trustees (including the Chair or Vice-Chair), a suitably skilled trustee will be appointed to complete all the actions at Stage 2.

Complaints about the Headteacher or member of the Board of Trustees must be made to the Clerk, via the school office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Board of Trustees or
- the majority of the Board of Trustees

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

Stage 2 will be considered by an independent investigator appointed by the Board of Trustees. This person could be a Governor/Trustee from another School . At the conclusion of their investigation, the independent investigator will provide a formal written response.

Stage 3 – Panel Hearing

If the complainant is dissatisfied with the outcome at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3 – a panel hearing consisting of at least three people who were not directly involved in the matters detailed in the complaint with one panel member who is independent of the management and running of the school. This is the final stage of the complaints procedure.

A request to escalate to Stage 3 must be made to the Clerk, via the school office, within 5 school days of receipt of the Stage 2 response.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 20 school days of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Board of Trustees or
- the majority of the Board of Trustees

Stage 3 will be heard by a completely independent committee panel.

A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under (Human Resources) staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At least 14 school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least 7 school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and Beaumont School with a full explanation of their decision and the reason(s) for it, in writing, within 5 school days.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by Beaumont School

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Beaumont School will take to resolve the complaint.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the head teacher.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

Trustee Review - Complaints where a child no longer attends the School and is no longer on roll

The purpose of this complaints process is to ensure that if an error has been made, or an injustice has occurred, action can be taken to try and provide a remedy. Where the complainant has removed their child from the School, it is impossible for the School to provide a remedy that will directly benefit them or their child.

However, as the Board of Trustees has a duty of care to pupils who remain on roll, where a child has left the School, it will ensure that the circumstances of any complaint made are reviewed so that the Board of Trustees is satisfied that the School had acted appropriately and that the relevant policies and procedures had been followed correctly.

Under this procedure, where a child no longer attends the School and their name has been removed from the School roll, the Chair of the Board of Trustees has the discretion to commission a Stage 2 Trustee Review instead of a Stage 2 Complaints Panel. The Chair of the Board of Trustees will choose one of the two options, to ensure that the complaint is investigated appropriately and that the complaints process can be concluded, however, the final decision as to which option they choose is entirely at their discretion.

If a decision is taken to commission a Stage 2 Trustee Review instead of a Stage 2 Complaints Panel Hearing, the Chair of the Board of Trustees will appoint a trustee who has had no prior involvement in the complaint to undertake this. If a trustee cannot be appointed from the School's own Board of Trustees (for example due to sickness or other prior commitments), the Chair of the Board of Trustees will appoint an independent Governor / Trustee from another local school or through the Local Authority's Governor Services Unit.

Once a Governor / Trustee has been appointed, they will review the original complaint, the Stage 1 Investigation and response, the complainant's reply to the Stage 1 response (including their escalation request) and any further evidence the complainant has submitted (this must relate to the complaint and cannot be in relation to new matters).

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

When the review is complete, either the Chair of the Board of Trustees or the Governor / Trustee who conducted the review will write to the complainant to inform them whether the complaint has been upheld or rejected, in full or in part, and of any changes to practice and procedures which have been agreed by the Board of Trustees.

Next Steps

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the ESFA after they have completed Stage 3.

The ESFA will not normally reinvestigate the substance of complaints or overturn any decisions made by Beaumont School. They will consider whether Beaumont School has adhered to education legislation and any statutory policies connected with the complaint and whether they have followed [Part 7 of the Education \(Independent School Standards\) Regulations 2014](#).

The complainant can refer their complaint to the ESFA online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

If the complainant fails or refuses to follow the above, the School may have to suspend its consideration of their complaint, either temporarily or permanently, depending on the nature of the complainant's behaviour and how this affects the School's handling of the complaint. In such circumstances, the School also reserves the right to invoke its Policy and Procedure for Managing Persistent and Vexatious Behaviour and Complaints (contained in Appendix 1).

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

- be mindful of the timescales to respond
- prepare a comprehensive report for the head teacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.
- The head teacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Co-ordinator

(this could be the head teacher / designated complaints trustee or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, head teacher, Chair of Trustees or the Clerk and to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

Clerk to the Trust Board

The Clerk is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example: stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision.

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the school has one).

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so

No trustee may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make

	Beaumont School	Approved by Board of Trustees – March 2023
	Complaints Procedure	Next review – March 2026
		Required by law

recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.

Appendix 1

Beaumont School **Policy and Procedure for Managing Persistent and Vexatious Behaviour** **and Complaints**

Beaumont School is committed to dealing with all complaints fairly and impartially and in accordance with the complaints policy and procedure that the Board of Trustees has adopted.

The School will not normally limit the amount of contact that parents, carers or complainants have with us; however, the School does not expect its staff to tolerate unreasonable behaviour and we will take decisive action to protect staff from such behaviour, including any that the School deems to be abusive, offensive or threatening.

Beaumont School defines unreasonable behaviour as that which affects the smooth and efficient running of the School on a daily basis, or that which hinders the School's consideration of complaints because of the frequency or nature of the complainant's contact with the School, such as, if the complainant:

- Refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance.
- Refuses to co-operate with the complaints process at any stage.
- Refuses to accept that certain issues are not within the scope of the complaints process.
- Insists on the complaint being dealt with in ways which are incompatible with the complaints process or with good practice, or only in a way that suits themselves.
- Introduces trivial or irrelevant information that they expect to be taken into account and commented upon.
- Raises detailed but unimportant questions and insists they are answered fully, often immediately and to their own timescales.
- Makes unfounded complaints about staff who are trying to deal with the issues and seeks to have them replaced.

- Uses abusive, offensive or discriminatory language or violence.
- Makes and breaks contact with the School on an ongoing basis with varying time delays in between.
- Knowingly provides false information.
- Persistently approaches various individuals at the School, as well as the Local Authority, Ofsted and the Department for Education, etc, through different routes about the same issue(s) in the hope of eliciting different responses.
- Publishes what the School deems to be inappropriate or unacceptable information on social media or other platforms.

Complainants should try to limit their communication with the School where it relates to their complaint, whilst the complaint is being progressed through the complaints process. It is unhelpful and unnecessary if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome(s) being finalised.

Wherever possible, the Headteacher or Chair of the Board of Trustees will discuss any concerns with the Complainant/Parent/Carer about their behaviour informally before deciding to invoke this policy and procedure for managing persistent and vexatious behaviour and complaints.

If any unreasonable behaviour continues after the Headteacher or Chair of the Board of Trustees has spoken informally with the Complainant/Parent/Carer, the Headteacher will write to them. The Headteacher will confirm that the School deems their behaviour to be persistent and/or vexatious and will ask them to stop behaving in this way.

Wherever Complainants/Parents/Carers continue to contact Beaumont School excessively, causing a significant level of disruption, the School will consider whether to impose some or all of the following communication restrictions and confirm this in writing accordingly:

- Requesting that contact only takes place in a particular form (e.g. letters only).
- Requiring contact to take place with a designated member of Staff (e.g. the Headteacher).
- Restricting telephone calls to specified days and times.
- Asking the complainant to enter into an agreement about their future contact with the School.
- Informing the complainant that if they do not follow this advice (as stated above), any further communication/correspondence that does not present significant new matters or new information will only be kept on file and will not be acknowledged or responded to.
- If the complainant tries to re-open an issue that has already been considered through the complaints process, the Chair of the Board of Trustees will inform them in writing that the process has been exhausted, that the matter is now closed, and that the School will not enter into any further correspondence about it.

The decision of the Headteacher or Chair of the Board of Trustees to invoke this policy and procedure (and any communication restrictions imposed as a result) is final and cannot be

challenged or overturned through the School's complaints process. This is because the decision will be reviewed by the Headteacher or Chair of the Board of Trustees after six months. If the Complainant/Parent/Carer's behaviour has remained the same or worsened, the Headteacher or Chair of the Board of Trustees reserves the right to extend the communication restrictions for a further six months each time they review the situation. If the Complainant/Parent/Carer's behaviour has improved to a level that the School deems acceptable, then communication restrictions will be lifted on the proviso that should matters regress, the School reserves the right to reinstate the communication restrictions that previously applied.

In response to any serious incident of aggression or violence, Beaumont School will immediately inform the Police and communicate our actions in writing. This may include barring the individual(s) from the School premises. Should the School deem this necessary, it will ensure that it adheres to the guidance issued by the Department for Education (DFE) entitled [Controlling access to School premises](#).

The School also reserves the right to use and adapt this policy and procedure whenever it deems it appropriate to manage unreasonable or persistent contact not directly associated with, or resulting from, formal complaints.
