Beaumont Year 10 Student

WHAT IS THE DOFE?

The DofE is a life-changing adventure.

You make it: The DofE is as unique as you are

Millions of young people in the UK have already done their DofE.

Now it's your turn.

***YOUTH

LIMITS***

What will I do?

"ONE HOUR PER WEEK"

The Volunteering,
Physical and
Skills sections
need to be carried
out for at least
one hour per week.

You can't do, say, two hours one week, and none the next, or four hours every month.

You can miss out sessions in the school holidays and make them up after.

The last date must be at least 3 (or 6) months after the start date.

HERTS COUNTY COUNCIL

Beaumont School is a registered DofE Centre, and our awards are approved by Herts DofE which is a Licensed Organisation (LO).

We have to approve evidence and do the admin for your award, but the final say is with Herts. So we have to make sure that what we send them is correct.

We will be giving out information about the most common mistakes so you don't fall into any of the same traps.

VOLUNTEERING SECTION

Take action and make a difference to the causes you care about

Help others and change things for the better

***YOUTH
WITHOUT
LIMITS***

VOLUNTEERING

Our advice is to choose something you're passionate about and **that is useful**.

You mustn't get paid, and you mustn't take the place of someone who would otherwise be paid. You cannot volunteer for a profit-making company.

Your assessor cannot be related to you.

VOLUNTEERING EXAMPLES

- Being a weekly visitor to an older person
- Raising money for a charity
- Helping a charity shelter or shop
- Organising activities for people in need
- Being a Young Leader at cubs or brownies
- Park Run
- Helping with a weekly school club

Physical SECTION

Take part in whatever
dance, sport or fitness
activity you would like

Get fitter and have fun
along the way!

**YOUTH
WITHOUT
LIMITS**

PHYSICAL

Your aim for this section is to achieve greater physical fitness and to lead a healthy lifestyle through physical activity.

In short have fun, get better and increase fitness.

Your assessor cannot be related to you.

PHYSICAL EXAMPLES

- Joining a football team and playing matches regularly
- Attending a weekly Zumba class
- Going to the gym every week
- Improving your Karate skills and gaining the next belt
- Doing the Couch 2 5K programme

- Dance

SKILLS SECTION

**Devote yourself to
improving your skills in the
things you love to do**

**Discover new passions
and develop talents
you didn't know you
had**

***YOUTH
WITHOUT
LIMITS***

SKILLS

You are aiming to develop practical and social skills and personal interests. It could be a skill you already have or something new you would like to take up. You must prove you have improved over the 3/6 month period.

It cannot be something that you could do as a Physical section, eg climbing or karate or ballet.

It cannot be something you do as part of a school course, eg GCSE languages or computing.

Your assessor cannot be related to you.

SKILL EXAMPLES

- Learning how to cook e.g. international food
- Singing/acting in a school production
- Learning about and keeping tropical fish
- Playing an instrument in a band
- Learn a new coding language
- Learn to touch type

SECTION RESTRICTIONS

It is worth noting that the Physical, Skills and Volunteering sections have very strict guidelines. Common errors include volunteering for a profit making organisation and using a physical activity for the skills section.

It is the participant's responsibility to ensure their plans meet the requirements set down by DofE.

SAFEGUARDING

Beaumont School as a registered DofE Provider is responsible for registered staff and volunteer training as well as taking the necessary safeguarding steps i.e. references from all volunteers. All staff and volunteers will have current DBS checks.

It is our duty to be clear that it is not our responsibility to carry out these safeguarding procedures where participants are completing a section externally e.g. volunteering at a local charity shop.
