Friday 26th January	All day	Art (Practical)					

BTEC Creative Digital Media, CTEC Business, CTEC IT and CTEC Sport have formal examinations taking place in January. They coincide with the Y13 Mocks, so students should refer to their separate individual timetables for this series and speak to the Exams Office if they have any queries.

Students with timetable clashes will be advised regarding the rearrangement of their examinations and any associated supervision. Consortium exams at Sandringham and any formal January examinations take precedence, and therefore Beaumont mock exams will be moved to an alternative session.
