Dear Parent/Carer

## CONTRIBUTIONS FOR MATERIALS TO BE USED IN A LEVEL PHOTOGRAPHY 2024/25 (Current Year 12)

To enable students to complete a broad and successful A Level Photography course, they will require a range of materials and equipment. Each student will need the following:

- 1 pack A4 digital photo printer paper x 100 sheets
- 2 x A3 landscape sketchbooks
- 2 x glue sticks for mounting work
- 5 sheets A3 presentation digital photographic paper for final pieces
- Contribution of £50 towards printing costs for the course

We are able to source the items at a discounted price of £95 for you to purchase prior to the start of the academic year so they can be given out in the first week of September.

These items are essential for the completion of this course. The sketchbooks will enable students' work to be kept in good condition for examination. When purchased, the sketchbooks and equipment remain the property of the student and can be taken home on completion of exam board approval process.

As part of your personal 'kit' students will also need:

- A set of good quality black pens to write with in your sketchbook
- To replenish your digital paper when needed for the course

Please make payment via your MCAS account, using the option "Beaumont School Shop" by Friday 12th July 2024.

Please contact the finance office if you wish to discuss financial assistance for this pack or for any assistance with your MCAS account at [finance@beaumont.school](mailto:finance@beaumont.school) and they will be happy to help.

Yours sincerely

Ms L Emin
