

# MUSIC

## AFTER EVERY LESSON

1. File all your notes and handouts, ensuring they are organised into the correct unit and topic area.
2. Review your notes and lesson slides on Google Classroom. Click on any links to listen again to audio in order to further familiarise yourself.
3. Identify any areas that you find challenging and attend Music Clinic with specific questions.
4. Use Focus on Sound to recap on topic areas or musical techniques.
5. Complete wider listening and make notes about the pieces you hear.

## WEEKLY

### EVERY WEEK

Make sure that you complete weekly homework tasks and your reading promptly to avoid falling behind.

In addition:

- Keep up with your regular instrumental or vocal practice schedule, work closely with your instrumental or vocal teacher to build repertoire and act on feedback.
- Ensure that any gaps are complete in your notes.
- Complete your work tracking sheet to summarise your learning for that week.
- Play an active role in Beaumont's extra-curricular programme, including choir to develop your inner ear and ensemble skills.
