

Beaumont School and Sir John Lawes School Chartered Teacher Programme and Certificate in Evidence Informed Practice Application Form

We are proud that Beaumont School and Sir John Lawes School are accredited by the Chartered College of Teaching to provide the Chartered Teacher Programme and Certificate in Evidence Informed Practice. The Chartered Teacher Programme lasts around 18 months and our fourth cohort will begin in January 2025. The Certificate in Evidence Informed Practice is a 3 month programme. To apply for a place on either programme, you need to complete the application form below.

Please be aware that in order to offer you a place, we will ask for a brief reference from your headteacher or a senior member of staff at your school, so please ensure that you speak to them about your application.

You should ensure you are aware of the nature of the programme and the assessments it involves before applying: <https://beaumontschool.com/chartered-teacher-programme/>. If you have any questions, please email chartered.teacher@beaumont.school and we will be happy to help.

Extended Response Question

Please answer the following question, which seeks to find out more about you and your teaching practice in school and will assess your suitability to be part of the Chartered Teacher Programme. Your response will be assessed using the Chartered College Professional Principles (<https://chartered.college/professional-principles/>), so we recommend that you familiarise yourself with them before you write your answer.

Please write a reflective piece that evaluates the impact that a change that you made to your teaching practice had on the children and/or young people that you teach. (500-750 words)

You should consider the following in your answer:

- How did you ascertain which area of your practice you needed to improve?
- What did you do in order to improve it?
- How did you decide what change you should make?
- How did you evaluate the effectiveness of this change?
- What impact did it have on the education of your students?
- How did you know what impact it had?
