

Respect for **yourself**

Respect for **our community**

Respect for **learning**

1

Be respectful and kind to everyone in the school community.

Be polite and say 'please' and 'thank you'.

2

Keep our school environment clean.

Use the bins and recycling available.

3

On corridors and staircases, walk on the left in a quiet and calm manner, following the one way system.

No use of lockers between lessons.

4

Wear your uniform correctly and carry your conduct card with you at all times.

Sixth Form students must follow the dress code and wear a lanyard.

5

Arrive punctually to your lessons, where you will be greeted at the door.

6

At the end of the lesson, wait until you are dismissed.

When leaving, make your way straight to your next lesson.

**This is what we do at Beaumont.**
