Beaumont School *Norms and routines*

Respect for yourself Respect for our community Respect for learning

- 

1 Be respectful and kind to everyone in the school community.
 Be polite and say 'please' and 'thank you'.
- 

2 Keep our school environment clean.
 Use the bins and recycling available.
- 

3 On corridors and staircases, walk on the left in a quiet and calm manner, following the one way system.
 No use of lockers between lessons.
-

 Sixth Form students must follow the dress code and wear a lanyard.
- 

5 Arrive punctually to your lessons, where you will be greeted at the door.

Safeguarding

The school takes its statutory safeguarding duties very seriously. All staff work to the 'Keeping Children Safe in Education September 2025' document. This involves working with families and sometimes outside agencies.

The school and all staff have a duty of care to safeguard children. If we have a concern we will discuss this with you, however if we do feel it necessary we may contact Children's Services for advice and guidance.
