First Day Arrangements + Medication

BLEA meet Monday 22nd September in main car park at 9:15am

RNST meet Wednesday 24th September in main car park at 9:00am

3 coaches - The students will be informed on the morning of departure which coach they are on.

Students to find the muster teacher and give any medication to them with instructions and clearly labelled. Where students self-medicate (travel sickness/hayfever) it is advised to provide us with a spare.

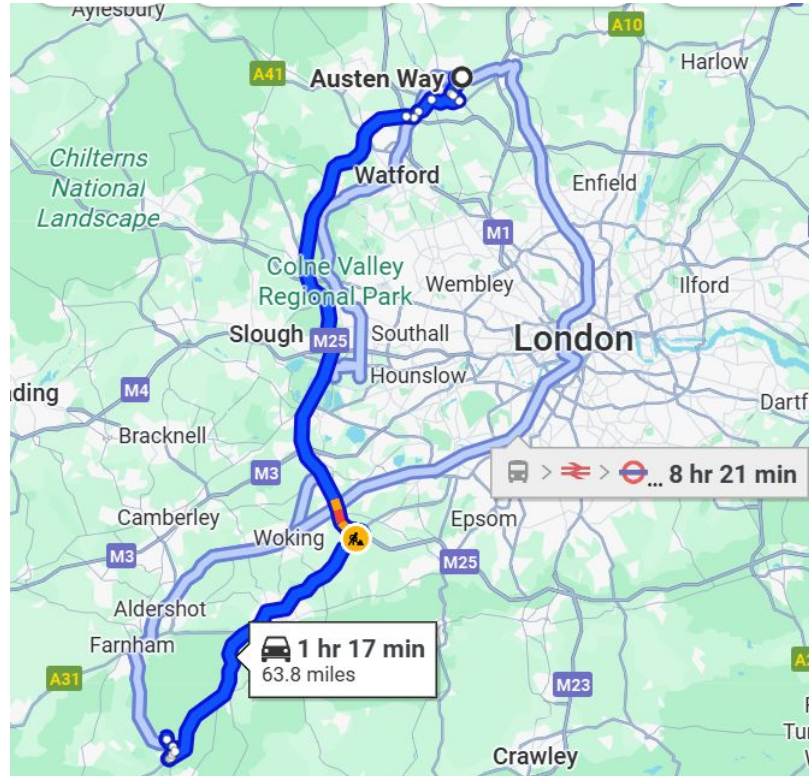

If your child is on medication for ADHD this should have been written on your PGL information form you gave to the school - if not please chat to us at the end.

The car park will be busy, please give the coaches plenty of room. Walk if possible or drop off. Be aware of our neighbours and park sensibly. Quick goodbye is best.

Please do not be late.

Are we there yet?

Lots of fun, new friends and adventures...

Roomings and Muster Groups

- Rooming - students will be informed when they get there what room they are in.
- A google form was sent out this week for requests.
- Muster groups will be mostly mixed gender, and will be based on tutor groups.
- One teacher to each muster group.

Do not worry.
