

GCSE Results Information - Autumn 2025

I hope that you are pleased with your exam results. Your report shows a breakdown of marks by component and an overall qualification mark and grade. Grade boundaries are published by the awarding bodies on their websites, and this information is available from the Exams Office.

The post-result enquiry services available to you are outlined in this document.

To submit your Review of Results or Access to Scripts requests, please complete the Post-Results Services Candidate Consent Form (available on the Exams page of the school website, provided in paper format in your results envelope or from the Exams Office). It should be returned to the Exams Office or sent by email to exams@beaumont.school within the stated deadlines. An outstanding payment will be created within My Child at School (MCAS), and should be paid promptly.

Please note that the deadlines are set by the awarding bodies and cannot be extended.

**Please note: your original grade is not protected.
It may be lowered, confirmed, or raised following a Review of Results.**

Missing or Incomplete Results

For results shown as X, # or Q: Please speak to the Examinations Officer who will contact the relevant Awarding Body on your behalf to resolve this.

Review of Results Services

Fees are listed in the table over on the next page. Whilst each Awarding Body has its own fee structure, in most circumstances fees are refunded if a grade is raised following a review.

Clerical Re-Check (Service 1)

Deadline – Monday 9th February

This is a re-check of all clerical procedures leading to the issue of a result. The service will include the following checks:

- that all parts of the script have been marked
- the totalling of marks
- the recording of marks

Should you wish to request a copy of the reviewed or clerically checked script as part of this service there may be an additional fee.

The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit or component included in the enquiry.

The deadline for completion by the exam board is within 10 calendar days of receiving the request.

Review of Marking (Service 2)

Deadline – Monday 9th February

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. Awarding bodies have trained reviewers to conduct the reviews of marking accurately and consistently. **Reviewers will not re-mark the script.** The service will include a clerical re-check and review of marking as described above.

If you request a copy of the reviewed or clerically checked script as part of Service 2 there may be an additional fee.

The awarding body will complete the request within 20 calendar days of receiving the request.

Access to Scripts (ATS)

Marked examination scripts can be requested to help you decide if you want to request a review of marking. You may also request your scripts for teaching and learning purposes:
