Dear Parent/Carer,

I am writing to inform you that we will be holding the Year 12 Consultation Evening on **Tuesday 03 February 2026** as an online event. We will be using Tes Parents' Evenings to host the appointments. This platform enables teachers to conduct secure video meetings with you so that we can have subject-specific conversations. We strongly encourage students to attend each appointment with you so they are part of the conversation and can contribute.

From **Tuesday 27 January 2026** you can visit <https://beaumontschool.schoolcloud.co.uk/> to view teachers' availability and book your appointments. In order to log in, you will need to enter your child's legal name rather than their preferred name. A short guide to booking and attending appointments can be found via the links below. This includes details of how you are able to invite another parent/carer to join from a separate location. You are able to book and reschedule appointments at a later time if you need to but please note that the opportunity to do so will close on **Monday 02 February 2026 at 9am**. On the evening, you will use the same web address and log in details to access the appointments. It is very important that you use the same account details that were used to book appointments when you are accessing the system on the night as appointments are linked to the parent/carer who made the booking.

Please note that for some subjects with larger class sizes, appointments may be offered on an alternative date or time to help accommodate the higher number of students.

We have scheduled **7 minutes** for each appointment. At the scheduled time both parties will need to select 'Join Appointment' to be connected. This will then signal the allocated time to begin counting down. From feedback, we would advise parents to have a gap between appointments in order to reflect on what has been discussed.

If you have any questions about booking appointments, please contact the Sixth Form Office at sixthform@beaumont.school.
