Dear Parent / Carer,

I am writing to inform you that we will be holding the Year 10 Consultation Evening on **Tuesday 10 March 2026**. We will be using the Tes Parents' Evening system (formerly known as 'SchoolCloud') to host the appointments. This platform enables teachers to conduct secure video meetings with parents/carers so that we can have subject-specific conversations to support your child as they progress through KS4. Wherever possible, we expect students to attend each appointment so they are part of the conversation and can contribute.

From **8.00am on Wednesday 25 February 2026** you can visit <https://beaumontschool.schoolcloud.co.uk/> to view teachers' availability and book your appointments. In order to log in, you will need to enter your child's legal name rather than their preferred name. Please use the links provided below for instructions on how to book and attend appointments. This includes details of how you are able to invite another parent/carer to join from a separate location.

You are able to book and reschedule appointments at a later time if you need to but please note that the opportunity to do so will close on Monday 09 March at 09.00am. On the evening itself, you must use the same web address and log-in details to access your scheduled appointments. It is important that you use the same exact account details that were used to book appointments when you are accessing the system on the night. Appointment bookings are linked on the system to the parent/carer who makes the booking, not to the student themselves.

We have allocated 4 minutes 30 seconds for each appointment. At the scheduled time both parties will need to select 'Join Appointment' to be connected. This will then signal the allocated time to begin counting down. If you encounter any issues with booking appointments, please contact the school via [admin@beaumont.school](mailto:admin@beaumont.school).

Thank you for your continued support,

Mr Andy Gray
