Dear Parents/Carers

Year 10–12 Morrisby Profiling opportunity

Over the coming months, your child will be making important decisions about their future. Choosing the right courses and career path can be challenging. Psychometric assessments can help by providing objective insights into strengths, abilities and potential.

To support this process, students in Years 10-12 are invited to complete the Morrisby online psychometric assessment on Monday 13 April 2026 (INSET Day), from 9.30am to 11.30am. The assessment can be taken either in school during this session or at home. Students attending the Duke of Edinburgh Training Day should choose to do it at home and complete the profiling later that day. The Morrisby Profile is widely recognised as the UK's leading vocational psychometric assessment. Parents can find a short introductory video [here](#).

Please note that there is a fee to access the profiling; details are provided below.

The Profile allows students to take an objective look at their abilities before making key decisions. It identifies strengths by comparing different skill areas and provides insights into potential future performance. There is no pass or fail.

The fee includes:

- Lifetime access to the Morrisby online platform [here](#)
- Career, subject and degree suggestions linked to assessment results
- A downloadable PDF report
- An individual follow-up discussion with a specialist careers adviser, held at school shortly after the assessment

To secure a place, please:

1. Complete the Google Form [here](#)
2. Make payment by Sunday 22 March 2026

Fees:

- The cost is **£54** if the profiling is taken at school
- The cost is **£49** if the profiling is taken at home

The price difference reflects the cost of the externally facilitated session at Beaumont. Payment should be made via MCaS, accessible through the quick link on the Beaumont School website. The Morrisby Profiling charge will appear in the Beaumont School shop section under your child's photo.

Please contact Mrs Rider via admin@beaumont.school school should you have any questions.

Yours faithfully

Mrs J Tolley
Assistant Headteacher, Head of Sixth Form, Careers Lead
