

Results Information - Summer 2026

I hope that you are pleased with your exam results. Your report should show a breakdown of marks by component and an overall qualification mark and grade. Links to each awarding body's grade boundaries are published on the school website.

The post-result enquiry services available to you are outlined in this document.

To submit your Review of Results or Access to Scripts requests, please complete the Post-Results Services Candidate Consent Form (available on the Exams page of the school website and provided in paper format in your results envelope), and return it to the Exams Office on Results Days or by email to exams@beaumont.school within the stated deadlines. Payment must be made via My Child at School (MCAS) before your request can be actioned. A total value can be manually added within the Beaumont School Shop section.

The Exams Office is available to answer result queries from Thursday 13th until Friday 21st August during working hours via exams@beaumont.school. After this, any post-result requests will be dealt with on our return to school in September.

Please note that the deadlines are set by the awarding bodies and cannot be extended. In the information below, deadlines listed as GCE include all Level 3 qualifications (A Level, AS Level, BTEC L3 Nationals CTEC, CNAT Advanced, L3 Certificate and EPQ), those referred to as GCSE include all Level 1 and 2 qualifications (GCSE, L2 Certificate, CNAT and Entry Level). If you have decided to request a Review of Results Service we suggest you submit the Candidate Consent Form as soon as possible.

If a university place is pending, we advise that you request a priority review of marking. Candidates should inform their university or college that a review of results has been requested because they may be able to keep your place open until the review has been completed. An awarding body will not inform UCAS that a review of marking has been requested. However, it will advise UCAS of any grade change arising from a review.

PLEASE NOTE: YOUR ORIGINAL GRADE IS NOT PROTECTED. IT MAY BE LOWERED, CONFIRMED, OR RAISED FOLLOWING A REVIEW OF RESULTS.

Missing or Incomplete Results

For results shown as X, # or Q: Please speak to the Examinations Officer who will contact the relevant Awarding Body on your behalf to resolve this.

Review of Results Services

Fees are listed in the attached table. Whilst each awarding body has its own fee structure, in most circumstances fees are refunded if a grade is raised following a review. Reviewed scripts are often exempt from any refund.

Clerical Re-Check (Service 1)

Deadline – Monday 21st September @ midday

This is a re-check of all clerical procedures leading to the issue of a result. The service will include the following checks:

- that all parts of the script have been marked
- the totalling of marks
- the recording of marks

Should you wish to request a copy of the reviewed or clerically checked script as part of this service there may be an additional fee.

The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit or component included in the enquiry.

The deadline for completion by the exam board is within 10 calendar days of receiving the request.

Priority Review of Marking (Service 2P)

GCE Deadline – Wednesday 19th August @ midday

GCSE Deadline (Edexcel only) – Friday 21st August @ midday

This service is particularly aimed at A Level candidates who have an offer of a place in higher education, which is dependent on the outcome of the review. It is identical to a Review of Marking (outlined below), but has a quicker completion date. *The awarding body will complete the request within 15 days of receiving the request.*

Review of Marking (Service 2)

Deadline – Monday 21st September @ midday

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. Awarding bodies have trained reviewers to conduct the reviews of marking accurately and consistently. **Reviewers will not re-mark the script.** The service will include a clerical re-check and review of marking as described above.

If you request a copy of the reviewed or clerically checked script as part of Service 2 there may be an additional fee.

The awarding body will complete the request within 20 calendar days of receiving the request.

Review of Moderation (Service 3)

Deadline – Friday 18th September @ midday

This is a review of the original moderation for internally assessed work to ensure that the assessment criteria have been fairly, reliably and consistently applied. It is not a re-moderation of a candidates' work. The awarding body will have trained its reviewers to conduct reviews of moderation accurately and consistently. A review of moderation cannot be undertaken on the work of an individual candidate not in the original sample. Nor can it be undertaken if your centre's internally assessed marks (coursework or non-examination assessment) have been accepted without change by an awarding body.

Please contact the Exams Office if you would like more information regarding this post-results service.

The awarding bodies will complete the request within 35 calendar days - this may not meet university/college deadlines.

Access to Scripts (ATS)

Marked examination scripts can be requested to help you decide if you want to request a review of marking.

The following are available:

GCE Priority: Deadline – Thursday 20th August

GCSE Priority: Deadline – Wednesday 2nd September

You may also request your scripts for teaching and learning purposes:

GCE & GCSE Non-priority: Deadline – Monday 21st September

Priority scripts will usually be sent to students within a working day. Other scripts may take a few days, but no longer than a week to be emailed to candidates.

It is recommended that you request a copy of your reviewed exam script **at the time of a Review of Result request** as subsequent requests **will** result in a **delay** to the scripts delivery.

Appeals

If you are unhappy with the outcome of a review, an appeal process is available to centres, submitted by the Head of Centre to the relevant awarding body. Should you require any further information regarding this service please contact the Examinations Officer.
