

Personal Development Week Programme 2026-2027 Year 7

PGL 7 RNST

During the residential trip, Year 7 students will take part in a range of outdoor team-building activities designed to develop their leadership and communication skills while helping them bond as a form group, build friendships, and strengthen their sense of community as they begin their transition into secondary school.

PGL 7 BLEA

During the residential trip, Year 7 students will take part in a range of outdoor team-building activities designed to develop their leadership and communication skills while helping them bond as a form group, build friendships, and strengthen their sense of community as they begin their transition into secondary school.

WORK SHADOWING or CAREER CHOCOLATIER

Students either complete a work shadowing placement or take part in "Career Chocolatier," a day-long activity in which they will either be: making chocolate truffles in Food Technology, designing and producing packaging in Technology, or creating a marketing campaign in Media to promote the final product.
