Beaumont School

Our aim is to prepare young people to become active, caring and confident citizens who lead rewarding lives.

We want every student who leaves Beaumont to do so with a sense of pride in their achievements, an awareness of their responsibilities and a sense of appreciation for all the opportunities they have been offered and experienced.

HOUSE WINNERS
2025-6!

Our area of focus for Year 10

Every pupil deserves to feel a sense of belonging

To support the development of executive functioning skills to improve outcomes.

Promote sense of belonging within the Year 10 community.

Ensure that all students have the support they need to thrive in school, gain excellent outcomes and progress on to bright futures.

The Three R's

This is a principle we look to embody as a year group.

Our hope is that, by consistently modelling and reinforcing this principle, it becomes part of the culture and identity of the year group.

Respect

Resilience

Responsibility

What's new in Year 10

Essentially the curriculum outline is the same; following the change to GCSE Options after half May term.

No prescribed home learning timetable. Regular home learning will continue to be set and we continue to operate a system of same day detentions for no or incomplete HL.

Support to develop good study habits, retrieval practice, how to revise all geared towards GCSEs.

A focus on preparing students to make choices about their next steps.

Year 10 Exams

Work Experience

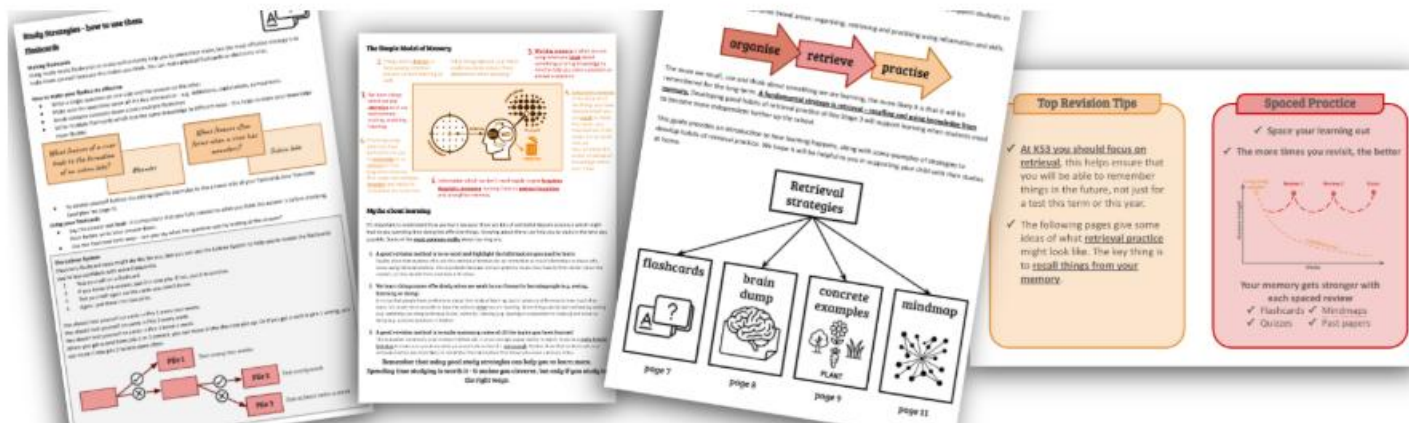

Mobile Phones / Smart Devices

- Should be switched off and on at the school gates
- A student's phone is their responsibility
- **1st confiscation** – returned at the end of the school day
- **2nd confiscation** – returned at the end of **5 school days**
- **3rd confiscation** – returned after **10 school days** (or until the next holiday). A parent/carer will need to come and collect the phone
- This also applies to tablets and smart watches
- No mobile phones or smart devices will be allowed on school residential trips for Years 7-9

Study Skills

At Beaumont we pride ourselves on our excellent teaching, but students will benefit most from this if they also develop strong independent study skills.

Learning how to learn is challenging, so we aim to support students to develop skills appropriate to the stage of their education. Effective study skills fit into three broad areas: **organising, retrieving and practising using information and skills.**

Information to support with study skills can be found under the **Learning** section of the school website.

Behaviour

- High expectations, inside and outside lessons.
- Students to take responsibility for their behaviour and learning.
- Conduct Cards
- Rewards and consequences
- Norms and routines have been reiterated to students already this term.

Our Norms and Routines

Built on three principles:

Respect for yourself

Respect for our community

Respect for learning

The infographic is titled 'Beaumont School Norms and Routines' and is organized into three columns under the headings 'Respect for yourself', 'Respect for our community', and 'Respect for learning'. It lists six numbered norms, each with an icon and a brief description. The background features a large, faint watermark of a person in a graduation cap. At the bottom, a dark red banner contains the text 'This is what we do at Beaumont.' and 'Enjoy & Excel'.

	Respect for yourself	Respect for our community	Respect for learning
1	Be respectful and kind to everyone in the school community. Be polite and say 'please' and 'thank you'.		
2	Keep our school environment clean. Use the bins and recycling available.		
3	On corridors and staircases, walk on the left in a quiet and calm manner, following the one way system. No use of lockers between lessons.		
4	Wear your uniform correctly and carry your conduct card with you at all times. Sixth Form students must follow the dress code and wear a lanyard.		
5	Arrive punctually to your lessons, where you will be greeted at the door.		
6	At the end of the lesson, wait until you are dismissed. When leaving, make your way straight to your next lesson.		

This is what we do at Beaumont.

Safeguarding

The school takes its statutory safeguarding duties very seriously. All staff work to the 'Keeping Children Safe in Education September 2026' document. This involves working with families and sometimes outside agencies.

The school and all staff have a duty of care to safeguard children. If we have a concern we will discuss this with you, however if we do feel it necessary we may contact Children's Services for advice and guidance.

Safeguarding – key areas

Safeguarding – online and social media

content: what are they accessing?

contact: who are they interacting with?

conduct: what are they posting/saying/doing

commerce: financial and commercialisation of online activity

Safeguarding – advice to parents

- Establish rules on the use of devices and definitely no devices overnight.
- Keep up-to-date (our [website](#) has some really useful links) and internetmatters.org is absolutely fantastic
- Have conversations – be open and discuss what your children are doing online
- ‘Follow’ your child’s account
- Privacy settings – check yours and your children’s. Update and don’t ignore!

Safeguarding – child on child abuse

What is the school's stance?

- Zero Tolerance Approach; it will not be tolerated. There will be sanctions and consequences
- It is not “just banter”, “just having a laugh”, “part of growing up” or “boys being boys”
- We want students and parents to report to us
- We want parents to work with us to support both sides

Mental Health - whole school approach

- Senior Mental Health Lead and Deputy Mental Health Lead
- Therapeutic Thinking trained tutors x 4
- Trauma informed approach trained
- Whole school mental health training
- 5 Ways to well being
- Children's Wellbeing Practitioners
- [Signposting to support services](#)
- Life Skills Curriculum from Year 7 - 13
